

Resolutions Annual Report Survey - 2017

Introduction

Thank you for participating in the annual report survey. As parish resolutions standing committee chairpersons, your input adds value to our diocesan, provincial and national perspective.

The form is very comprehensive and broken into each sub-heading. Please do not feel daunted by the length of this survey. There are many options, but we understand that councils will focus on just a few of the priorities listed. It is perfectly okay to leave questions unanswered if your council has not pursued a certain topic or was unable to recruit a resolutions chairperson.

Please feel free to share both your experiences and challenges which will help me better understand and serve as a basis for future programs or projects in this standing committee. Thank you for completing this annual survey. It will help us to know better what your council is doing and what your members interests are.
