**Directive # 1**

First of all I'd like to introduce myself. I've been a member of the Catholic Women's League for 19 years. I belong to Corpus Christi Council, and the last 4 years have been the Windsor Regional Chairperson. I am very proud to be a member of the league.

My husband Tim and I have been married 20 years. He is very supportive of my commitment to the CWL. My son is married and lives near. I became a volunteer at Hospice after losing my sister December 2016.

I am looking forward to my term as Community Life Committee Chairperson as many topics under this committee are of interest to me.

**Collect Air Miles for Missionaries**

It is expensive for travel to reach remote northern communities especially in Northern Ontario. Missionaries need our help to continue their work. For every 95 Air miles earned, they will receive \$10.00 for their missionaries to use toward their travel expenses. Please help them continue their work.

Mail your request to collect Air Miles for Missionaries to:  
Catholic Missions in Canada, Air Miles Program

**Summer is coming**

The desire to use disposable plastic water bottles is greater in the summer. An average Canadian throws away 100 kilograms of plastic a year. It accounts for 80-90% of the oceans' pollution.

I challenge you and your families to use your own personal reusable water bottles and pick up discarded plastic when you visit parks and beaches this summer.

Have a Safe and Happy Summer

May our Lady of Good Counsel Bless and Guide You! Mary Ann
