Directive # 11

Matthew 12:37 (ESV)

"...for by your words you will be justified, and by your words you will be condemned"

The following is from my counterpart Anna Tremblay on provincial council:

No doubt you are already aware of most of this important information so this communiqué is more of a reminder. Please ensure that it will be communicated to your counterparts.

Be League

As you know, Ontario will be featured in the January 2016 edition of Be League. All councils were encouraged to send their submissions to communications@cw1.ca

Authorized Signatures

Please note that national office no longer requires authorization signatures from individuals whose photos are being submitted to Be League and The Canadian League magazine.

Woman on a Mission

The League documentary Woman on a Mission was launched on Sunday, December 6 on Salt + Light Television. It is a true gift to the League. For those who do not yet subscribe to Salt + Light TV, the documentary can be viewed on the League's website www.cw1.ca. This is an excellent, high quality documentary and I encourage each of you to watch it and ask that you encourage all your friends to do likewise. This is definitely a must-see!

Pornography Hurts Campaign

A gentle reminder that Ontario has been assigned January 2016 to send in their Pornography Hurts postcards to their local member of parliament and/or the prime minister. Ask a question and provide your name and address to ensure a response. Each piece of correspondence is said to equal 100 votes. Pornography continues to be a blight on society so please keep the government aware of the campaign by sending the cards. If you still need cards, a template is available on the Ontario provincial website www.cwl.on.ca under the Resources tab. A slightly newer version is available on the national website www.cwl.ca under the Resources tab.

Marty's Dream Project

Many of you are familiar with Marty's Dream project and we have received an update on the progress of the project. The funds were raised to build a residence for young girls in Kete Krachi. It has been built and is ready for the girls to move in. Another checkmark on the list of League accomplishments. This is a picture of the residence.

Belated Christmas Greetings

The miracle of Christmas is not only that Jesus came, but that He promises to be with us, with power and grace for every step along life's journey. May His love bless and keep you and your families throughout the coming year.
