

London Diocesan Council
The Catholic Women's League of Canada

To: All Parish Presidents, Correspondence Secretary

CC: London Diocesan Council

From: Madeleine Visser, Correspondence Secretary

Date: January 2017

Directive # 4

A new year usually means a fresh plan. It means another try at the life we want to live. It means opening up to possibilities---to forward movement, to adjusting old ways to work better. A new year reminds us that the Holy Spirit is always moving, working among us, and leading us to the next good step.

Councils should be encouraged to promote the League by way of brochures and information pamphlets and members should be encouraged to visit the national, provincial and diocesan websites often. Check our London Diocesan Website at: <http://www.cwllondon.com>

Some Councils in our Diocese have a new Executive on board, so I encourage the new Correspondence Secretaries to attend all executive and general meetings of the council, submit all correspondence received to the President for her information and compose and send out all correspondence as directed.

Submit articles [*ON the Spot*] the online newsletter, send in the names of members who received a pin and the years served to the League Lingo. Cards to the sick, bereaved families, special anniversaries and thinking of you.

For all the correspondence Secretaries in the Parish Councils I encourage you to obtain a copy of the Handbook for Secretaries, which can be downloaded from the national website.

We have been asked to pick a name from the Bible, I have chosen Rachel, the daughter of Laban, younger sister of Leah, and Jacob's first cousin and preferred wife. Gen 29: 10,16,30. I will use this person as part of my speech at our next convention.

I pray that Our Lady of Good Counsel will guide us.

Yours in service of God

Madeleine
