Directive # 5

"The Best Portion of a Person's Life,
is her little, nameless, unremembered acts of Kindness and Love."

William Wordsworth

This is a very political time of year. With many different legislation issues coming to our attention we must be very vigilant in reminding our members of parliament of our values on the issues.

Letter writing is one way of doing this. Please remember if writing on behalf of your council you may use C.W.L. stationary but in personal writing you may not.

Many personal messages have a greater impact than 1 message representing many members.

I want to take this opportunity to wish everyone a Blessed Easter and looking forward to seeing you at the Sarnia Diocesan convention

Committee: Corresponding Secretary

Directive: # 5
