### **Directive # 7**

It is not enough to say we are Christians. We must live the faith, not only with our words, but with our actions. (Pope Francis)

### **EDUCATION**

The Catholic Women's League of Canada London Diocesan anti-abortion initiative needs your support.

### **ENGAGE**

For those of you who attended the convention you may recall that on Wednesday May 1<sup>st</sup>, Michelle Lauzon spoke briefly about the movie "Unplanned". It has been requested to show at the Capital Theatre in Chatham in September. More information on dates and times of showings will be posted on our diocesan website, [www.cwllondon.ca](http://www.cwllondon.ca). Please encourage your council members to attend one of the three showings.

### **EMPOWER**

During the Diocesan Fall Regional Days, we will be conducting a Letter Writing Campaign workshop to empower you to write to your local MPP, the Minister of Health and/or Premier Ford concerning the Resolution passed at the Diocesan Convention: London.19.01 – Abortion and the Effects on Mental Health.
