*Memoriam for Toni Zelaska of Simco, then Delhi—Ingersoll & Judy Purcell - Immaculate Conception, Stratford—Huron Perth*

A number of years ago Toni Zelaska of Simcoe served for many years on London Diocesan Council Executive.

She died on April 25th, 2017 on the Feast of Our Lady of Good Counsel. Toni was a member of Our Lady Queen of Martyrs, Delhi

There was a guard of honour at her funeral. Some of our older members may remember Toni.

I remember her in my early years doing the League Lingo.

*Toni Zelask*

*Judy Purcell*

Another long time member was Judy Purcell, who died on May 27th, 2017. She was a member of Immaculate Conception, Stratford.

Judy was a past President and currently this past year (2016) was treasurer. she was a recipient of the Maple Leaf Service pin. Judy helped in whatever way she was asked both in her council and in the parish community. She was the kindest person you could ever meet.

She was well known by the Diocesan Council.

I also remember Judy at conventions and from our contact through League Lingo

## *President's Report—Angela Pellerin*

It is hard to believe the summer break is over and it's time to get back to work. I trust you all had a good summer spending time with family and friends as well as vacationing.

Since I last wrote to you in the Lingo, I have been busy bringing greetings to various councils who were celebrating their anniversary and attending year-end events. Although I am shy, I find it is the most pleasant part of being your president, meeting members from across our diocese.

In July, myself along with several members from our diocese, attended the provincial convention in Thunder Bay. Lucy Hendriks and her companions had a beautiful trip up to Thunder Bay, stopping in Mackinaw along the way. Rebecca McCarrell had a very long trip home as her flight was cancelled due to the weather. Fortunately, some of us had decided to stay over an extra night so Rebecca could return to the hotel to spend the night. The resolution we passed at our diocesan convention was presented at provincial and passed there also. You will find information on this on the provincial website [www.cwl.on.ca](http://www.cwl.on.ca) shortly. Our very own Pat Rivest was elected as provincial treasurer and Marie-Theresa Lamphier was elected and given the position of communications chairperson. Congratulations girls! You will find reports of this convention elsewhere in the Lingo. Thanks to the 3 ladies who "volunteered" to prepare a

report. The provincial convention next year will be in Toronto.

As I write this report, I have just returned from the national convention in Charlottetown, PEI last night. Today is unpacking and laundry day. There was a total of 938 registered for the convention with Ontario having a contingent of 123 members! London diocese was well represented with several of us attending, including a member who only just joined the League. The keynote speaker on Monday was Ken Yasinski who spoke on A Catholic Identity Crisis and Becoming A Living Thank You. He was an excellent speaker. You will find a report elsewhere in the Lingo. The provincial presidents and the national president gave their reports on Monday also. On Tuesday the keynote speaker was Dr. Reginald Bibby who spoke on Canada's Catholics. Elisabeth Duggan's report on this can be found elsewhere in the Lingo. Donna Dunn also led us in the Building on Foundation, the League of the Future discussion. I hope some of you were able to connect and join in the process. The ladies from PEI, N.S., N.B. and PEI who were at my table engaged in a lively discussion as I input their responses to the questions on my iPad. There were 4 resolutions brought forward with 2 being from Ontario and 2 from B.C. All of them passed after much discussion and a report on them, prepared by Mary Bannon, is in this Lingo. It was a busy few days but we all enjoyed meeting other

members from across the country. Next year the national convention will be in Winnipeg.

Over the summer the executive have been busy planning the fall regional meetings which will be held in Windsor, Exeter and London. We are having 2 workshops along with some activities for you to participate in. Your regional chair has the information to pass along to you. Please join us for a time of faith, fun and fellowship.

The councils in London region have begun to prepare for the diocesan convention in April 2018. This will be an election year so please discern if God is calling you to serve the League at the diocesan level. Those eligible for election will be hearing from Marie-Theresa Lamphier soon.

May you continue to be inspired by the spirit as you continue to respond to God's call.

God bless.

*London Diocesan Spiritual Advisor—Rev. Father Greg Bonin*

Dear Sisters in the League,

I have just taken off my boots as it has been a remarkable experience of my first flooded rectory in 27 years as a priest. Though there is no comparison whatsoever with the devastation which Hurricane Harvey has caused, Windsor got hit with a rain storm this past week like never before. My rectory was one of the 3,800 homes that became “officially flooded”. So, I have taken off my boots to dry and sit here reflecting on my article for the wonderful women of the Catholic Woman’s League

A slogan at one of our funeral homes here in Windsor reads: “With you every step of the way”. I have felt this slogan come alive with the Catholic Women’s League in many ways. How each woman holds each other up as we share the same Mission of the CWL. This slogan became so real for me when I attended the Provincial Convention in Thunder Bay! What an experience (not so much the driving) but being present for my

2<sup>nd</sup> Provincial Convention and witnessing the One Heart and One Voice of Jesus Christ.

At the beginning of the Conference, Bishop Fred told each of us to be open and accepting of “surprises” referring to how God surprises each of us when we least expect it. Bishop Fred was right on! The surprises that I received personally from God cannot all be written in this report! For the sake of mentioning any, trust me, God is Beautiful and full of Surprises!

As I gazed around the Conference Room I was simply inspired by everything I heard and saw. Please allow me to share a few notes that I wrote down as I was surrounded by these qualities of so many beautiful women. Women are honest, loyal and forgiving. They are smart, knowing that knowledge is power. But they still know how to use their softer side to make a point. Women want to do the best for their family, their friends, and themselves. Their hearts break when a friend dies, gets sick or are

treated unjustly. Women drive, fly, walk, run or e-mail you to show how much they care about you. Women do more than simply give birth. They bring joy and hope. They give compassion and ideals. They give moral support to their family, friends and the Catholic Women’s League of Canada. And all they want back is a hug and a smile.

The heart of a woman is what makes the world spin .....”*the ageless beauty of a true and gentle spirit is of the greatest value in God’s sight*”  
1 Peter 3.4

Bless each of your hearts! As you read this, You are that woman mentioned above!

I am with you every step of the way!

**Recruiting Leadership –  
 Our On-Going Journey**

At our 97<sup>th</sup> Annual Convention in Stratford each executive was challenged to relate to a woman of the Bible who epitomized the work of her standing committee. I chose Naamah (*pronounced Na-may*), wife of Noah.

Naamah was a truly gifted woman who showed leadership in a quiet unassuming way through very difficult times. A team leader, a comforter, a gatherer, a woman who met challenges head on and worked through them, recruiting her daughters-in-law to work with her. She is often depicted with an apron full of every seed and bulb so that the plants of the earth will also be saved from the flood. Some Jewish traditions associate her with singing...joyfully leading the way! She is recognized as the founder of vocal music!

Naamah endures life in the ark with her husband and children while the world is destroyed around her. She preserves life and enters a new world. We are most like

Naamah when we endure through a storm and prepare to create a new future.

As organization chairpersons, you have these qualities, especially as you prepare for elections and succession planning. The storm surrounds us as we attempt to promote the attributes of the League to obtain leadership who have an eye to the future. We also are taxed with increasing or maintaining the current membership...reshaping how we deliver our messages of love for the League to younger women of our communities. Be like Naamah – sing out joyfully with the virtues of our organization, and help prepare for the new future.

As I write this, I am preparing to head out to Charlottetown PEI to attend the National Convention. I am most excited to take part in the town hall meeting on strategic planning. I am hopeful this will be a door opening exercise into a new form of leadership for our future. As we all know in order to move forward, we must change how we present ourselves to our younger

women and give them the insight into the meat & potatoes of our existence. It is imperative that we open the doors of acceptance, friendship, and change of methodology to allow our young leaders to step out in confidence, experiment with new (and maybe sometimes old) ways, to experience the high of success, and the frustration of failure. This is how we grow. We need to listen, pay attention to the interconnections between individuals, and adapt to define what we need to do, but allow others to determine how they will achieve the end goal.

I look forward to continuing our journey together as we respond to God's call. May Our Lady of Good Counsel joyfully lead us to experiences of gathering and preserving our calling!

Blessings.

## Recording Secretary—*Elisabeth Duggan*

We have had a great summer. I pray everyone is well rested. This year will be our election year for new positions on the Diocesan executive for 2018 - 2020. I ask everyone who is eligible to consider letting their name stand for the various positions on the Diocesan executive. Remember we all have a gift to give and share.

*“Nothing is impossible, the word itself says 'I'm possible'”  
Audrey Hepburn*

I have attached a copy of the “Parish Council Election Reporting Form.” - found at the back of the newsletter

Please return the form to me by December 31, 2017. If this is an election year for your counsel but not till January, please submit the names of your present council for 2017.

Once you have a new executive for 2018 - 2020, resubmit the form with the new names and positions to me.

*Elisabeth*

## Corresponding Secretary—*Madeleine Visser*

I hope everyone has been able to take time out and enjoy the summer, I have even thought it was not quite what we have been used to in the past. I enjoyed the time I spent looking after my flowers and the many walks I took when the weather was suitable.

As corresponding secretaries we need to keep in mind the theme for this year: “Inspired By the Spirit, Women Respond to God’s Call”. I encourage all Corresponding Secretaries to attend all executive and general meetings of the council, submit all correspondence received to the President for her information and compose and send out all correspondence as directed.

The 97<sup>th</sup> Annual Diocesan Convention held in Stratford April 24-26. 2017 was a huge success. The Provincial and National Conventions were also very successful and attended by many CWL members.

I encourage all corresponding secretaries in the Parish Councils to obtain a copy of the handbook for secretaries. You can download it from the national website [www.cwl.ca](http://www.cwl.ca), also check the provincial site at [www.cwl.on.ca](http://www.cwl.on.ca) and London website at [www.cwllondon.ca](http://www.cwllondon.ca)

*God, source of all life,  
continue to bless me with the  
movement of your Spirit in  
my life. Help me to remain  
open to the gift of new life that  
comes from you through the  
Holy Spirit.*

I pray that Our Lady of Good Counsel will guide us

Yours in service of God

*Past-president—Marie-Theresa Lamphier  
Historian, Nominations & Elections*

There has been so much that has been happening in my life lately... all blessings and opportunities to grow. We sold our house on the lake and are moving back into town. That process in itself was a blessing. It will be bittersweet, as we will miss the solitude, the view and the fantastic location that we had. This is truly God's country! But we look forward to less traveling, a new neighborhood, smaller home and being closer to our grandchildren. So we re-adjust and life goes on!

The other event that I was blessed with was attending the Provincial Convention in Thunder Bay in July where we heard amazing speakers and were part of a smudging and spiritual walk while praying for lost indigenous women. We also blended water from our area with the water of the Superior Lake. It was quite a moving celebration. We went back in memory of the many years as we watched a display of different styles over the past 70 years and listened to the history of our times and the challenges that faced the CWL. As it was election

time for the Provincial Council, I was really amazed that I was chosen and very excited to be given the Communication Chairs position. This is an excellent opportunity for me to learn more about the website, Facebook and a lot of computer things that I haven't used in a long time...an opportunity for growth and blessings as I come across special sayings and articles to publish, and work with other members of the council. Don't forget to join the Ontario Provincial Council Facebook group and like and share the site.

As Historian, I have had all the archives at my home for the last little while and preparing them to go to our London Diocesan Offices for storing. These are boxes that I do not want to bring with me to the new home. Once again, I have been blessed to have Lee Levergood and Patricia Rivest working with me as sub-committee chairs to get the files in order and ready to go. We should have the majority of them done before I move. Praise the Lord!

My next project will be to start my presentations that will be given for the Fall Regional days on the election process...yes, that's right, it is that time again, where Diocesan Elections will be taking place in April. I hope that you have started to pray and discern about how and where God wants you to be in the League.

So many things happening,... some endings and some new beginnings. Our journey is not always smooth, but some steps are probably best taken sooner than later.

I look forward to these new beginnings, new opportunities and hope that you keep yourself open to hear God's will in your life.

Looking forward to seeing you at our Fall Regional days!

*“My heart leaps up with joy to the Lord”*

Is it time to get back to our CWL activities already? I hope everyone had a restful summer and took the time to enjoy our terrific summer weather. Now it's time for bazaars, breakfasts and don't forget, a membership campaign.

There was an excellent turnout for our Day at the Shrine in July. As usual, Father Greg did an excellent job. It was enjoyable listening to him tell of his experience at the Provincial Convention with Cardinal Lacroix.

I have just returned from the National Convention in Charlottetown, P.E.I. What an

uplifting four days it was! Over 900 delegates listened to fabulous speakers and participated in an energizing spiritual programmed. Of course, it was not all work. The members from P.E.I. graced us with their down-home hospitality, terrific entertainment and a wonderful tour of the island. They even arranged beautiful weather! Be sure to read further reports on the convention - found later in this newsletter.

Our Fall Regional Days are beginning soon. The first one is in September for the Windsor, Essex, Chatham - Kent regions on September 23<sup>rd</sup> at Our Lady of the Atonement in Windsor. October 21<sup>st</sup>, we will be in Exeter for the

Huron Perth, Ingersoll regions followed on October 28<sup>th</sup> at St. Michael's in London for the London, Sarnia regions. I hope you plan to attend the day for your region. I would especially like to see as many treasurers as possible for a short workshop on the treasurers' report.

Once again, please use the remittance forms with my name and make the cheque payable to the “Catholic Women's League of Canada”.

I'm looking forward to a fun and successful year!

## *A Special Prayer - submitted by - Mary Lappan*

I was adding a name to our family tree in my Grandmother's Bible and found this prayer which she prayed while her three sons were overseas in World War II. I have no idea where this prayer came from but it is just as relevant today as it was 70 years ago.

### *Prayer for Those in Active Service*

*O God, we beseech thee, watch over those exposed to the horrors of war and to the spiritual dangers of a soldier's, a sailor's or airman's life. Give them such a strong faith that no human disrespect may ever lead them to deny it, or fear to practise it. By thy grace fortify them against the contagion of bad example, that being preserved from vice and serving them faithfully, they may be ready to meet death wherever it may happen, through Christ our Lord. Amen*

*Sacred Heart: Inspire them with sorrow for sin and grant them pardon.  
Mother Mary: Be with them on the battlefields, and if they should be called to make the supreme sacrifice, grant that they may die in the grace of thy Divine Son.*

*St. Joseph, pray for them. May their Guardian Angels protect them. Amen.*

*God of love, grant that we may be your voice, your hands and your heart in everything we do!*

Summer is finally here, by the time you will read this it will be fall with all the beautiful colours that are so amazing. Being here at our family cottage many wonderful adventures are here. Family gatherings, boating swimming. Enjoying our grandchildren with dogs and other pets. How wonderful life can be. We must never forget that our God is with us, and we have to be thankful every moment of our lives.

On Saturdays or Sunday's at our island cottage I go by boat to Parry Sound to church. On one such

occasion the priest asked all C W L Ladies to r a i s e t h e i r h a n d - including

visitors. I did so. He called me to the front and asked if I would carry the CWL banner for the procession for a few blocks. Myself and another lady agreed. It started raining, but we carried the banner proudly around, and back into the church. It was a great experience. During the procession, the priest carried the beautiful monstrance with the consecrated Host for veneration. The Knights of Columbus carried the statue of St. Peter the Apostle and we all recited the rosary while we were walking. It was beautiful.

**Dignity & Rights of Persons:** is a huge concern, especially for the elderly in our society. Recently I gave a small workshop about elder abuse, how to recognize and how to prevent it from happening. The feedback I received back, was mostly denial. This can't happen in our society. But unfortunately, it does. Be a friend, be reassuring and supportive volunteering in nursing homes, stay in touch. Abused victims often resist our efforts to help because they feel guilty and ashamed because many times it involves family members. Read about it. Have group discussions. The older person must always be included when decisions concerning his or her welfare are being discussed. Excluding an older person from making his or her own decisions - is considered a form of abuse.

Public Health Department, Community Information Centres. There are many types of home support and community health care services, such as home care and visiting nurses, that can help older adults. This allows them to stay longer in their homes. Often family put them in nursing homes for their **own good**.... Rarely do they really want to be there. Listen to them. Consider their wishes. Too often however, restraints are being used to prevent older people from falling out of the bed or chair. Friendly visits and open discussions will let us know how they really feel about this.

Stay in touch. In my next directive, I will give more info on how to get

in touch with - and how to obtain more information. If any council wishes for me to come and show a short film to better understand what is involved let me know, perhaps you can get several councils together. Just let me know, and we can plan a workshop.

Elder abuse is against the law. Financially, bodily, or emotionally ... Recognize it.

When people grow older, they are often seen as a burden, yet we need to remember they are the ones who raised us, fed us, and paid their taxes so we could live in the comfort we are used to. They started businesses, gave jobs to jobseekers. Never should we see them in a negative way - as weak, sick, forgetful, and dependent. For we too will become them and be in their shoes one day

*"Let us not grow tired of doing good, for in due time we shall reap our harvest if we do not give up. So then, while we have the opportunity, let us do good to all."*

*(Part of Galatians 6:9-10)*

May you open your heart, and always be kind to one another.

*Resolutions Standing Committee*  
*Chairperson—Mary Bannon - 2nd Vice-President*

As we approach the season of thanksgiving for a lovely summer, crops harvested and our renewal of membership in the sisterhood of the Catholic Women’s League, it is with immense gratitude that I write about successes of resolutions passed at the Provincial and National levels. I am filled with thanksgiving for all those who worked on our London resolution including the hard work done by our author, Mary Ann Lealess, (Mitchell council) and then the Provincial Resolution committee who polished it.

Resolutions passed for Provincial action:

**Inclusion of Nurses in Provincial Bill 163 (The Supporting Ontario’s First Responders Act)**

Resolutions passed for National action:

**2017.01 Full Implementation of the Supreme Court decision in R. v. Gladue for Indigenous Offenders (from Ontario Provincial council)**

**2017.02 Mandatory Age Verification Mechanisms for Adult Pornographic Websites (from B.C. & Yukon Provincial council)**

**2017.03 Zero-rated Status Under the Goods and Services Tax Provisions of the *Excise Tax Act* for Child Safety Products (from Ontario Provincial council)**

**2017.04 Protection from Coercion of Conscience for Healthcare Professionals (from B.C. & Yukon Provincial council)**

My work with Resolutions made me think of the fact that all our work is to bring about God’s kingdom, to share God’s light, to reflect God’s love through our resolutions. Once again Max Lucado inspired me with his words:

*What does the moon do? She generates no light. Contrary to the lyrics of the song, this harvest moon cannot shine on. Apart from the sun, the moon is nothing more than a pitch-black, pockmarked rock. But properly positioned, the moon beams. Let her do what she was made to do, and a clod of dirt becomes a source of inspiration, yea, verily, romance. The moon reflects the greater light. And she’s happy to do so! You never hear the moon complaining. She makes no waves about making waves. Let the cow jump over her or astronauts step on her; she never objects. Even though sunning is accepted while mooning is the butt of bad jokes, you won’t hear ol’ Cheeseface grumble. The moon is at peace in her place. And because she is, soft light touches a dark earth. What would happen if we accepted our place as Son reflectors? Such a shift comes so stubbornly, however. We’ve been demanding our way and stamping our feet since infancy. Aren’t we all born with a default drive set on selfishness? I want a spouse who makes me*

*happy and coworkers who always ask my opinion. I want weather that suits me and traffic that helps me and a government that serves me. It is all about me. . . .*

It is for certain that in my role as Resolutions chair I have come to realize that so many others have spent their time crafting resolutions, especially the one our diocese submitted. This craftswomanship is able to make us all Son Reflectors, sharing God’s light.

My challenge is issued to all councils—Look for the change you want to make and work on a resolution this year. Become a “Son-Reflector”.

The Provincial & National CWL conventions are over and it is time for us to act on resolutions that were gifted by CWL members across Canada such as yourself. There were four resolutions passed at the National level. The full text for them can be found at [www.cwl.ca](http://www.cwl.ca) under Resolutions by Year.

- 2017.01 Full Implementation of the Supreme Court Decision in R v. Gladue for Indigenous Offenders
- 2017.02 Mandatory Age Verification Mechanisms for Adult Pornographic Websites
- 2017.03 Zero-Rated Status Under the Goods and Services Tax Provisions of the Excise

Tax Act for Child Safety Products

- 2017.04 Protection from Coercion of Conscience for Healthcare Professionals

Also passed at the Provincial level was the following resolution:

ON.17.03 Inclusion of Registered Nurses in Provincial Bill 163, Supporting Ontario's First Responders Act 2016

The federal government will start sitting September 18<sup>th</sup> and the provincial government on September 11<sup>th</sup>. Please contact your members of parliament and let them know your concerns.

Passing a resolution is only the first step. Now that we have identified the problem and researched it we have an action plan to follow through with. Make sure that your representatives know exactly how you feel.

Is there anything bothering you at the municipal level? Perhaps going to a meeting at that level will stir your interest and spur you onto bigger projects.

I received the following email and thought it may be of interest to you. If so I urge you to act by either signing the petition or contacting your member of parliament along with the minister of Health.

*Just last week, Health Canada released its latest data on the levels of chemicals in the bodies of Canadians. The results are not encouraging – BPA and parabens are detected in almost all of us. But it doesn't have to be this way. The solution is simple: the federal government must fix our outdated toxics law, the Canadian Environmental Protection Act (CEPA).*

*The federal Ministers of Health and Environment and Climate Change will be making a decision about whether to strengthen our protections from toxics very soon. This is why we are asking you to sign our petition urging the ministers to not delay action and to commit to reforming CEPA based on the recent recommendations of the parliamentary committee on environment.*

[https://action.environmentaldefence.ca/p/dia/action3/common/public/index.sjs?action\\_KEY=11294&supporter\\_KEY=91281849](https://action.environmentaldefence.ca/p/dia/action3/common/public/index.sjs?action_KEY=11294&supporter_KEY=91281849)

***If we don't fix CEPA now, it may be another decade before parliament reviews the law again.***

*Your voice and action will make a difference! The more letters the ministers receive this week, the greater the impact. **Just two years ago, 20,000 letters were sent to decision makers to ban microbeads, and because of you, microbeads are now history.** By fixing CEPA, we can ensure that highly concerning chemicals like BPA and phthalates are taken out of products, that bans are implemented quickly, and that our children and most vulnerable people are protected from toxic chemicals.*

*Thank you for supporting this important cause.*

Sincerely,

Muhammad Malas

Welcome back! It is hard to realize that summer is over and fall is around the corner. Summer seems to just fly by and we wonder where it went to and then it is gone. Summer was a wonderful time to spend with family – being together, sharing many memories on places we visited.

Fall is just around the corner. This is the start of getting back into the routine of work and school. Starting back to work and school for families is sometimes very daunting. Many of our children are just starting schools for the first time and are very unsure of themselves, feeling scared, even out

of place. It will take time and patience for them to feel comfortable. We need to encourage them and mentor the children that they will like it and make many new friends, even liking their new teacher. Even the older children, going to high school, college and university will feel out of water. We can encourage them, to trust their feelings that all will work out. As a family, we can do this together. We can pray for our children to give them courage and trust that they are never alone, God is with them. Jesus says, “Do not be afraid, I am always with you”. We, as parents, are also there for

them – to love, guide, mentor and always love our children.

Many councils celebrated birthdays for seniors in nursing and rest homes. The seniors were so elated to have these celebrations. I thank our CWL Sisters who volunteer at nursing homes. They bring so much cheer to them.

I look forward to seeing you at the Fall Regional Days. God Bless everyone and may Our Lady of Good Counsel bless you and your families.

What an incredible privilege it was to attend the Ontario Provincial Convention this past July. Five of us drove to Thunder Bay under the leadership (& driver/organizer) of Lucy Hendrikx. My council of St. Michael in Bright’s Grove was chosen to show our quilt we had created for the National CWL Challenge. Unfortunately because we had already donated it to our local hospice, it was not entered into the judging because it could not be given to the ‘grandmothers’ as part of the programme of Provincial Convention.

Now it is time to get back to work for another faith filled year with friends, old and new. Let’s hope winter is not too bad, because our summer has not been one of the

best!! I have had a tremendous response for this edition of League Lingo, for articles and especially for the Pin Awards to your members.

I got a good number of orders at our convention this past April and again from the Fall Regionals in 2016.

I will do my best to attend all 3 of the Fall Regionals which occur this month and also October, so I can get in advance, orders for 2018 editions.

I do hope you read the reports from the Provincial Convention and the National Convention. The London Diocese had a strong contingent of members who were

able to go to these conventions. Next Year the Ontario Provincial Convention is in Toronto, so what an opportunity to attend when it is so close to home.

Having just returned from Prince Edward Island and the National Catholic Women’s League Convention, I feel blessed to be part of an organization filled with such a wonderful and spiritual group of women, who are following the League’s commitment to “God and Canada”, working together to respond to God’s call in joyful service.

On July 19<sup>th</sup>, this year, 180+ members and visitors came together at the Our Lady of the Rosary Shrine Day in Merlin, ON. We were blessed with a beautiful sunny summer day, coming together to pray and get to know

one another as ladies of faith. One of the highlights was Father Greg’s talk on his adventures at the Provincial CWL Convention in Thunder Bay.

Coming soon are the Fall Regional Days that are open to all League members. Try to attend one of them – you won’t be sorry!

Attending the Provincial Convention in Thunder Bay in July involved a two-day drive through some of the most beautiful scenery in northern Ontario. I was struck by the many rock outcroppings along the highway. Rocks everywhere. When I went to Phoenix in August, I was struck by the beauty of the desert. In Sedona, there were amazing red rock outcroppings. Finally, we reached the Grand Canyon and again we were amazed by the immensity and

the beauty of the rock. Needless to say, I took many photographs. In both of these areas the indigenous peoples are close to nature. We should be more like them and admire and protect the natural world around us. The symbolism of rock is close to us in our faith. In the Psalms, we read the Lord is our rock and fortress.

In our councils, we strive to do many activities all year long. I would like to encourage you to

remember to take photographs to add to your archives, parish displays and newsletters. Even the “ordinary” deserves to be remembered for the future. These media tools help us promote the league in our parishes and communities. As we begin our fall season, be steadfast in our promotion of the League in many varied ways.

Ontario. Submitted by: Denise Lalonde-Morris Education/Health Chair*

Monday, 10th July, 2017

Early in July a number of your sisters in the League were inspired by the Spirit and travelled up to Thunder Bay, Ontario for the provincial Convention.

Day One opened onto a sea of Red and White with the attendees all sporting our national colours in support of Canada's 150<sup>th</sup> Birthday. We opened the day with a Eucharistic Celebration. After the Rules of order were read and reviewed and all committee appointments were acknowledged, Treasurer Pat Rivest went over the Financial Statements for the previous year and secured the auditors for next year.

1. Our first inspirational speaker was His Eminence Gerald Cardinal Lacroix, Archbishop of Quebec, and Primate of Canada. Cardinal Lacroix (who donned a Red Cap) took his speech from Pope Francis's Book - The Joy of Love - Amoris Laetitia. Pope Francis spoke of Love as being a Craft. This craft will succeed with lots of Patience and perseverance. In Chapter 8 of the book there are four steps to take to reflect the Ministry of the Pope's ministry. These steps are: Welcoming and Listening - to start a good pastoral dialogue and remain attentive and respectful
2. Accompany - walk along side with all persons: couples, families, all groups leaving no

one out, and take the time to allow healing to take place

3. Discerning - listen to what God as to say in regards to the circumstance of family, learn to grow and guide the faithful to the light of God
4. Integrate - find places for growth to happen always being welcoming and showing **c o m p a s s i o n** and understanding. Cardinal Lacroix referred to the church as a Field Hospital where we need to find out our strengths and weaknesses.

His next topic was the Challenges Women Face Today. The world view of women has greatly changed over the past few centuries. We are no longer guests but are active members of Society. Women are free and masters of their lives. It is now the time to accept the call of Evangelization. They must open their eyes in order to evangelize. Women today should embrace the word of God and seek a relationship with Jesus.

The final discussions with the Cardinal had us reviewing Biblical situations to help us to look at people in different ways. The situation with Zacchaeus the Tax collector (Luke 19:1.10) shows us how everyone has dignity no matter how bad a person is and deserves respect. Another situation to consider is Jesus with the Centurion (Matthew 8:5.13) where the Lord deals with someone of another Faith and shows how we are all children of God. Other

persons he noted were the Sinful Woman (Luke 7:36-50), Nicodemus, the disciples of Emmaus and stopped there pointing out there are so many we can refer to. Cardinal Lacroix wanted us to see how important it is to gain the trust and confidence of others so they will stay to ask for more.

Our afternoon began with a procession and the blessing of the Quilts. Afterwards each Council President and executive member presented their views on the Fruits of the Spirit. Our diocesan President Angela Pellerin did her talk on the Fruit of Goodness. The reports from the Provincial Officers finished off the day. A group of 25 from the London Diocese enjoyed a meal at Boston Pizza and completed the evening with a Fashion Show covering the past 150 years and dancing.

What a beautiful part of Ontario this is. Had a great road trip seeing places I have never seen before with 5 CWL sisters to get here.

The morning started with mass in the ballroom with Bishop Colli, Provincial Advisor, Archbishop Brendan O'Brien, Kingston Diocese & His Eminence Gérald Lacroix, Archbishop of Quebec, Primate of Canada - (keynote speaker on Monday).

After mass the Resolutions were presented to the delegates:

**17.ON.01** Full Implementation of the Supreme Courts *Gladue Decision (1999) for Indigenous Women Offenders* - **CARRIED with amendments**

**17.ON.02** - Grant GST Zero-rated status to all child safety products listed in the *Canada Consumer Product Safety Act (CCPSA)* is subject to the *Goods & Services Tax (GST)* - **carried with amendments**

**17.ON.03** - Inclusion of Registered Nurses in Provincial Bill 163 *Supporting Ontario's First Responders Act 2016* - **CARR** (London Diocesan Council Resolution)

Look for all the full resolutions on the Ontario website [www.cwl.on.ca](http://www.cwl.on.ca)

The task now is to watch for the decisions at National Convention being held in Prince Edward Island from August 7<sup>th</sup> to 9<sup>th</sup> 2017.

Bishop Colli gave a report on sharing ideas, advice on new spiritual advisors with regards to CWL, meetings etc. & supporting Catholic Missions in Canada. He was presented with a "Spiritual Bouquet" on his retirement as Ontario Provincial Spiritual Advisor.

A *Social Justice Award* was given to Marth Whelton - Toronto Diocese. She feels sometimes she does not do enough, but this will motivate her to do more.

*Catholic Women's League Leadership Foundation* - last June 2016 a council was formed to facilitate visits to raise \$1.5 million to stabilize the foundation & move forward. 95% of the goal has been raised (\$1,244,300) - now stands as of today, at convention \$1.35 million. There are 83,000 CWL women in Canada - Ontario has over 50,000. We received a postcard in the Spring national magazine but National has only received this card from 200 members to date. The goal is to meet the 1.5 million or over by the end of August - works out to only \$3.00 per member.

Bishop Colli blessed 3 new Life Members - Jeannie Coleman - Alexandria/Cornwall; Anna Brady - Hamilton; Mary Capobianco - Toronto.

In the morning it was explained by Cindy Crowe, Blue Sky what "Walking in Spirit with our Sisters" was. They work with governments & industry. A circle

is important - shows we are all one tribe - Legend of a Medicine Wheel. One part is each part of a person in one quadrant. The four colours depict the 4 colours of people around the world - *White, Black, Yellow & Red*. Each group carries a special gift, but until we join these groups together, we will continue the way we are now in Canada. Cindy believes strongly that we need to take our own responsibility for our own actions. Simple as reaching out to your neighbour, holding a door open for someone. We are no longer connected to each other. We are sisters from all races. Each delegate was asked to bring a small bottle of water from the area they lived in in Ontario. These waters were gathered and poured into 2 large containers and were taken by some delegates who poured the water into Lake Superior with our prayers for the missing & murdered Indigenous Women.

In the afternoon, we took part in a Ceremonial Walk & Circle outside the hotel. Around the circle we all participated in "smudging". This was a way of cleansing ourselves. Sage is seen as one of 4 medicines - tobacco, sweet grass, & cedar are the others. We were fanned by the smoke of the dried Sage to cleanse us. Then we received a small amount of Tobacco wrapped in cloth - we were told to take it home and place it under a tree or a sacred place in our home. The 'grandmothers' told us stories of children committing suicide and other tragedies while we each were

being “smudged. This was quite an experience for all of us to have as they closed the “Walking in Spirit with our Sisters” part of the day. It was no accident we all met today at this Ontario Convention.

Some of the quilts that each diocese brought to the convention & blessed yesterday were gifted to the “Grandmothers” of Blue Sky Community (Catholic Women's Leadership Foundation).

In the afternoon, we had a Storyteller Presentation by Jody Porter, Senior Reporter, CBC.

- “Finding a Way Forward” – taking up our responsibilities. Lots of stories are hopeful, some are hurtful. “All she sees is need, & she sees no need to reason out the need for the need
- Stories were told of missing indigenous young wome
- 2 more young children from a Northern Ontario Reserve committed suicide recently.

She spoke about all the suffering that the indigenous youth go through in their young lives.

Feathers of Hope is a 1<sup>st</sup> Nations Youth Action Plan – Google this for more info. Why are there no high schools in 1<sup>st</sup> Nations? Why do they have to move from their home & go to a big city?

Truth & Reconciliation:

- Child Welfare – annual reports
- Education – reduce the funding gap
- Health – cultural training for health care professionals
- Youth Programme – consistent on-going funding (for example funding for mental health)

The day ended with social time and then a delicious Banquet.

Ontario. Submitted by: Teresa Ryan, 1st Vice-President, Legislation*

Wednesday, July 12th, 2017

The final day of the convention began with prayer which ended in the Litany of the Seven Gifts of the Spirit. It was reported the collection which was taken up at Monday's Mass amounted to \$1,500. It will be given to "Dew Drop Inn" a local organization that feeds 200 people a day and receives no government funding.

Margaret Ann Jacobs, National President gave her report. She started by telling us that the best gift she could give a woman, is a membership in the League. She reported that "Be League" on the national website has been retired. She urged us to make use of "On The Spot" on the same site by reading updates and sending in submissions.

Margaret Ann also announced the creation of a new committee for "Strategic Planning for the Future of the CWL". Barbara Dowding, Anne Gorman and her have agreed to be on this committee until the work is completed. There are four other women appointed to this committee which includes Pauline Krupa, outgoing Ontario provincial president.

She commended everyone on all the works they have done in their councils. Margaret Ann talked about a nationwide CWL town hall meeting "WOMEN RESPOND TO GOD'S CALL" which will be held August 8, 2017 during the National Convention

being held in Prince Edward Island. She challenged us to gather in small groups and register by July 30<sup>th</sup> so that "together we can do something beautiful for God"

Pauline Krupa gave a recap of her 'AHA' moments during the year.

She was pleased with everyone in the province who embraced the Blessed/Saints project during the Extraordinary Jubilee Year of Mercy. It was wonderful to see all the corporal and spiritual works of mercy undertaken by the councils. She mentioned the support given to refugee families.

Even though M.A.I.D. became law members rallied for ethical palliative and hospice care as well as conscience protection for those in the medical field. In May, the 4<sup>th</sup> Day of Prayer for Palliative and Hospice Care was embraced by all with prayers, learning, signing petitions and fellowship.

Bishop Bernard A. Pappin Bursary Fund saw 16 applicants, 10 of which will receive bursaries.

The election for a new executive took place with the following results:

- President—Anne Madden
- President- Elect—Colleen Randall
- 1<sup>st</sup> Vice—Linda Squarzola
- 2<sup>nd</sup> Vice—Colleen Martin
- Recording Secretary—Mary Capobianco
- Treasurer—Pat Rivest

Standing Committee:

Marie-Theresa Lamphier,  
Karen Mc Donald,  
Joanna Sisk,  
Ann Tremblay,  
Wilma Vanderzwaag

We were very pleased to congratulate Marie-Theresa Lamphier & Pat Rivest on their election to the executive of the Ontario Provincial Council of the Catholic Women's League.

Pauline Krupa reminded us of the acronym for T.E.A.M.:

ACHIEVES MORE!

**Spiritual Program 2017 National  
CWL Convention**

“Inspired by the Spirit - Women Respond to God’s Call” - This year’s theme shone through in the ladies participating. The humility, sharing and listening to others views and spirituality were evident throughout the convention.

The opening mass at St. Dunstan’s Cathedral in Charlottetown, P.E.I. was in one word amazing. Watching the Provincial flags, the Canadian flag, and then the CWL flags process in was very moving. As we stood and watched the flags come in, we were asked to reflect on what it means to be a citizen of Canada and a member of the Catholic Women’s League.

Next to process in were seven Arch Bishops/Bishops, followed by approximately thirty priests. The mass, as usual was beautiful. Most Reverend Richard Grecco, Bishop of Charlottetown celebrated the mass. Visiting Archbishops, Bishops and Priests concelebrated with him. Bishop Grecco spoke of the Transfiguration of Christ and that we listen to what Peter says “You will do well to be attentive to this as to a lamp shining in a dark place, until the day dawns and the morning star rises in your hearts” (2 Peter 1.16-19).

The recessional hymn for the mass was “Women of the Church”. This beautiful hymn was the recessional hymn for all the masses at the convention. I found this significant.

Monday’s mass, was lead by Most Reverend William McGrattan, Bishop of Calgary and National Spiritual Advisor. The other bishops concelebrated with him. Monday mornings closing prayer was the Angelus.

Monday afternoon reconvening prayer was a memorial service for deceased member and Spiritual advisors. It was beautifully done and was very moving.

Monday afternoon closing prayer was called restoring awareness of the presence of the Lord in our lives. It was taken from the book *Prayer Seeds: A Gathering of Blessings, Reflections, and Poems for Spiritual Growth* by Joyce Rupp

Tuesday’s Mass was lead by Most Reverend Richard Smith, Archbishop of Edmonton. The other bishops concelebrated with him.

Tuesday morning closing prayer was the commissioning of 9 new Life Members. It was a very moving ceremony as the Honorary Life Members formed a line to honour these ladies. Bishop McGrattan them blessed them and prayed over them. Finally all the ladies in the room (approximately 800) raised their hands and gave them the special CWL blessing.

Tuesday afternoon, the Reconvening prayer was called Pentecost Fire. At the end of it, all prayed the following:

Spirit of the Living God  
Open our hearts and minds  
To experience the unconditional  
love of God  
Empower us with the gifts of  
Your Spirit  
So that we may  
Respond to God’s call  
In joyful service  
Inspire and bless the  
members of the  
Catholic Women’s League  
So that the fruits of Your Spirit  
May be evidenced in all  
that we say and do.

Amen

What a beautiful prayer said by approximately 800 ladies!

Tuesday afternoon closing prayer was call Finding God in nature. It prompted members to listen to the quiet and/or the din of nature - Prayer can happen in that silence, or din of nature.

Wednesday Morning Prayer was the saying of the Devine office of that morning, quieted us and focused us on the task of working through the resolutions presented. The Wednesday morning closing prayers was Lap Quilts of Love and Mercy Prayer Service.

A quilt from each province and Territory was processed up. The following was stated - “The production of lap quilts for the elderly, infirm and those in palliative care is just another manifestation of how our members live out their motto ‘For God and Canada’ ”

The closing mass was celebrated at

St. Dunstan's Cathedral. This was a very moving mass with Bishop McGrattan celebrating the mass with the other six bishops concelebrating with him. In his homily, he spoke of how important women of the church are and that we need to continue to work for "God and Canada" in all that we say and do as members of the

Catholic Women's League.

The National Council were reaffirmed in their positions. Again the closing hymn was "Women of the Church".

This completes my report.

Key Note Speaker – Session 1  
97<sup>th</sup> Annual National CWL  
Convention  
Charlottetown, PEI

*Becoming a Living Contact  
for Christ*

Mr. Ken Yasinski began his presentation with enthusiasm telling us about his family and his journey to Christ. He presents in an energetic, joy-filled manner that excites his audience to be fully engaged in his mission. What an exciting and spirit filled key note speaker! He pursued the purpose of our Christianity, tying it in to the purpose of the Catholic Women's League through our mission statement. Ken is a gifted speaker and teacher of our faith!

He reminds us to be on a "first name basis" with God and in turn with those we minister with and to. We need to become a living contact for our communities for Christ. It is important to be POSITIVE and

OPTOMISTIC in all things, and express gratitude at all time. No one gets rewards for complaining. Complaining revolves about self-focus and unhappiness. Instead we must turn things around and express GRATITUDE. Gratitude is not natural for people, it takes work, but, we must provide the opportunity to try this. Gratitude is a matter of choice while emotional response doesn't always utilize rational choices. Choice ... choose to express the choice then go to the feelings. You have control over choices. Love is a choice, virtues are a choice. Gratitude is a DECISION that has come from our choice to love.

"We always did it that way"

To change from the obstacles, including complaining, and blaming others, working in the past, we must move to a period of growth. Gratitude doesn't grow automatically, it is not the "hope" that things will change, but it is the CHOICES to change that leads to the transformation. How can we

take steps to lead to transformation? We first must change ourselves into a person of gratitude; someone who truly is wanting to take responsibility of our actions, make amends and move forward to influence and change. We must learn how to let God work through us, using his graces to lead others to the same transformation. Change will allow us to show others that it is okay to let go, to let others try, to let God lead and take us to places we could only imagine. "A change of heart equals a change of life". (Ken Yasinski)

Steps to change:

1. Manage change: throw away blamelessness...we need to blame ourselves, and take responsibility of our actions. Recognize places in our life that needs to change, then take steps to make this happen.
2. Gratitude Journal: everyday for 6 months write a simple

thought of what we are grateful for. This is a simple exercise to thankfulness. Consistency is important in spiritual life; little discussions over a long time brings you to gratitude. You cannot convince anyone to come to Christ by being miserable. Life with Joy each day. Make life an adventure and fill it with wonders. Scan your world to find your gifts from God

3. Visual reminders. Be simple,

- remind of the good and the beautiful; be aware of negative conversations with yourself.
4. Express your thanksgiving! Compliments go a long way. Express them immediately, Shout it out! Thank you, I appreciate you confiding in me, thank you for sharing, you have an amazing gift, I've never thought of that before, thank you for your insight, etc. Be uplifting to others, let Christ's light shine through you.
  5. Recall times in your life when God moved perfectly for you.

Share these with others. Be Positive and Optimistic when sharing your love of Christ with others. Share blessings & goodness...God moment's.

Four resolutions were passed at the 97<sup>th</sup> Annual Convention of the Catholic Women's League.

**Resolutions passed for National action:**

**2017.01 Full Implementation of the Supreme Court decision in R. v. Gladue for Indigenous Offenders (from Ontario Provincial council)**

This resolution came about from reflection on how many of our aboriginal peoples come before our court system and that many times there are factors over which they had no control which brought them into our court system. A Gladue report is supposed to be submitted addressing these factors but often isn't, so this resolution hopes to rectify this. I have been to several

National conventions but I have never seen such discussion and amendments made on a resolution. The amendments completely changed the intent of the proposal. After much time the amended resolution was defeated and a return made to the original which then passed.

**2017.02 Mandatory Age Verification Mechanisms for Adult Pornographic Websites (from B.C. & Yukon Provincial council)**

This resolution was passed quite easily since our children need protection from the very easy accessibility to these sites.

**2017.03 Zero-rated Status Under the Goods and Services Tax Provisions of the Excise Tax Act for Child Safety Products (from**

**Ontario Provincial council)**

This resolution will hopefully prompt the government to get rid of the GST on child safety products.

**2017.04 Protection from Coercion of Conscience for Healthcare Professionals (from B.C. & Yukon Provincial council)**

This resolution addressed the freedom of conscience and religion for medical care professionals from the view of the Charter of Rights and Freedoms.

In my future directive this year I will inform you of the action plans for each resolution.

All in all, a most interesting convention for resolutions!

*A Catholic Identity Crisis*

If we do not know our true identity, we cannot live right. The body doesn't function right because we are listening to a lie.

So where do we look for our identity as a Catholic? Look to the Holy Scriptures and to the church's Catechism.

God-given design:  
The church is MISSIONARY  
Sent by CHRIST  
To ALL NATIONS  
To make DISCIPLES  
O f t h e m t h r o u g h  
EVANGELIZATION.

We are called to be Fishers of People. Christ promises peace in our hearts if we follow him and bring others to him. We are asked to lead, teach and empower others to do the same. It is not the Spirit of Christ that is lacking in our lives, but our response to life that is lacking.

We must learn to nurture our gifts. We must become responsible to the call to communicate these gifts to all people through the love of Jesus Christ. This is evangelization.

When things are not used for their design, they break. This is what is happening in the church. Our gifts are not being utilized properly so

our God-given design is not functioning in unity. We are not focusing on using our gifts to evangelize, and offering others more than the world is offering.

A healthy parish is an evangelizing parish. They look for opportunities to make disciples of all people. We can overcome division and tension by becoming missionaries.

Missionaries are evangelizing for Christ.

We need to respond to challenges within the cultures of today. We need to stop being babysitters, but instead use personal investiture in people to Love, Meet, Listen, Become friends...this is evangelization.

So what is holding us back:

1. Lack of evangelizers: evangelizers need to have a personal encounter with Christ in order to proclaim the gospel in a clear and simple way. Invest in a personal relationship with Jesus. We must be constantly proclaiming the message of the Gospel as people need to hear things many times before they buy into it.
2. Repetition of Love: as able... over & over how God loves you.
3. Confusion on the role of Jesus in our life: to share our faith, we must know how Jesus is relative in our own lives. Investigate in your own heart how Jesus is relevant to us and

to our church.

4. Confusion of "Social Justice" with Evangelization. These are totally different. Don't fool yourself into thinking them the same. Social Justice is giving someone what they are due. Evangelization is proclaiming the Gospel as the center of our lives. Missionary tasks are foremost.

In Acts 2, the disciples are filled with the Spirit, then they went out to evangelize and baptise all.

We must be welcoming to change hearts ... Jesus came for people with problems, He will not deny anyone who calls out to Him. We must share how God has worked in our own lives. Tell people of the miracles that we have seen. Be a river letting information flow and not a reservoir where things become stagnant. Giving is how we receive.

How to evangelize:

1. Pray with the person...can we pray right now
2. Repeat the pain point the person has shared
3. Respond & request healing & God's blessings for the person
4. Close prayer.

Young people are especially open to this approach.

Evangelization: bringing people to an encounter with Jesus.

### Conquering Fear

My road trip to our National convention was a difficult one for me. I have a phobia of heights and water. I first noticed this “fear” when I was first married. My husband and I went on a vacation with my parents and younger siblings which included a visit to Ontario Place in Toronto. My fear was apparent this trip as I literally could not move up the steel grid steps into Ontario Place...that giant orb hovering over Lake Ontario. My father ended up “rescuing” me, carrying me to safety ... into the building! But that meant I had to return to the lakeside to get back to the car. I still remember that day over 4 decades ago like it happened yesterday. Later that same summer, we attended a “party” on the canals at the Lighthouse. The group all knew I was nervous in the water... anyone who has difficulty seeing without their glasses may have the same fear. I am always aware that I cannot see without my glasses, so am afraid to lose them in the water. The group was just itching to dump my canoe into the water...they laughed and laughed when it happened until they saw how panicked I was! Incidents like this happened periodically throughout my life, but I gallantly tried to overcome the panic. Until this summer.

We had a wonderful trip to Montreal. And, then, I made a wrong turn on the freeway and ended up on this very high bridge headed into the central city, and worst over to the north shore of the

St. Lawrence. I knew, of course, this meant another bridge to cross the river somewhere through Quebec. I figured the sooner I crossed, the narrower the river ... so at Drummondville we crossed the expanded steel suspension bridge! I felt like I was going to fall directly into the water, lose my glasses, and not be a help to myself or anyone else. (never occurred to me that I probably wouldn’t survive such a fall!). I made it across with a prayer, and we drove steadily towards New Brunswick.

The mountain roads were beautiful ribbons snaking their way through the forests with glimpses of the mighty St. John River here and there. The bridges on the Trans Canada highway were level and I felt safe. We talked about the Confederation Bridge going into Prince Edward Island but I kept telling myself it was okay since the last bridges didn’t give me the crippling fear. Until I got closer to the bridge! The sign said the bridge was 12.5 km and the rise in front of me sent me spiralling down. I started praying...and praying...and praying...and, to my dismay the bridge went up again with a curve at the top! That’s when the fear gripped me completely! My sobs were echoing through the car, and my prayers to our Mother Mary more intense! After 6 decades of the Rosary, we finally made it to land where I said a prayer of thanksgiving. It really was the most fear filled half hour of my life. But I made it!

The remainder of our trip didn’t include a lot of bridges, we took the ferry to Nova Scotia so that I didn’t face the Confederation Bridge again, and there was one other large bridging structure in Halifax. But God spared me from that experience again!

After hearing Ken Yasinski speak, I know that this was a huge teaching lesson to me from God. And, it also can relate to our work within the Catholic Women’s League. It is imperative that we face our fears to grow. We must recognize places in our Leagues where we can influence change, educate others and then empower them to go on to do the will of God. We must give others a chance to succeed and lose the “we’ve never done it that way before” attitude. If we are to survive as the wonderful League it is, we must step out from behind our fear of failure, our fear of trying something new, our fear of welcoming others of different backgrounds, faiths, and ages to our table. Because without conquering our fears, we will not be able to change and to grow into the missionary people of God that we are called to be.

Life is a Gift, Love is a choice, Gratitude is a decision. Evangelization is our call.

*National Convention—August 6/9th, 2017—Charlottetown, P. E. I.  
Submitted by: Elisabeth Duggan - Recording Secretary*

Dr. Reginald Bibby a Canadian Sociologist spoke to us at the PEI National Convention on “Canada’s Catholics”

He has been monitoring social trends in Canada for four decades, and he did a cross-Canada survey of 3,000 Catholics, monitoring the religious and social trends of adults and teenagers. He indicated that religion in Canada is changing but it is not being abandoned. He stated that there are three key things that were apparent.

1. **Ongoing Identification:** The fact that we are talking about this and that 85% of the people continued to identify with one group or another, (Christian or Non-Christian)
2. **Polarization:** That there was a solid core of people who continued to embrace religion even at the time when media attention was given to an increase of people who were rejecting it. He stated that

30% embrace it; 45 % are in the middle and 25% reject it..

3. **Worldwide Religious Vitality:** Christianity is the largest in the world slightly ahead of Islam

Bibby did a survey where he asked the question, “I’d be open to more involvement with religious groups if I found it worthwhile.” He found that many were open to the idea, but had to feel their participation was worthwhile to them and that it would also benefit the family. He stated that faith remained important to Catholics and that some embrace it and some reject it and for some that God is a Being who relates to people. He went on to say that Catholicism is experience, image and story.

Bibby ended by speaking of the CWL, that they are recognized by the Canadian Conference of Catholic Bishops as a lay association of women. That the

CWL serves to unite the Canadian Catholic Women promoting spiritual development, promoting catholic teachings, promoting family life and contributing to social justice.

He has written a book called Canada’s Catholics, Vitality and Hope in a New Era

Life is indeed a precious gift and we are often reminded of the latter. For myself the prior sentiment rang very true this summer. My son had surgery on his shoulder and my League sisters were there. He was then a few months later trampled by an elk and my sisters were there. My aunt had three surgeries, my uncle soon needed care too after caring for her. My sisters were there. Several other issues involving family members surfaced and my sisters were there, in the most powerful way—with prayer and support. Prayer is the core of our League, where the inspirations for our works come from, what guides our decisions, allows us the strength and energy to perform the many works that need to be done and to support each other all the while enhancing the lives of those around us.

As I reflect on Convention in Stratford, I recall the many lessons of compassion learned. Whether through beautiful quilts, made for those in hospice, or the speakers and their stories of perseverance through faith that allowed them to make a difference. The theme had also continued with the stories of the women in the bible and the women on our Diocesan executive who made connections through the woman that was chosen for their research. Easily each one made connections between the woman studied, and how the biblical story related to their position on the executive. The flow of inspiration continues on from biblical times to today, as we all ride the wave that is the Holy Spirit moving through us.

The flow that allows for many good works to be done. Like waves on a shore, the good works, the women who perform them and the people who appreciate them continues, endlessly. I thank the ladies of the Region for a great turn out, the beautiful stories told through your quilts, your generous donations and for the gifts you are.

St. Simon and St. Jude Parish celebrated 95 wonderful years on June 13th, 2017. Co-Presidents Jeanne Lauzon and Linda Prestyko hosted a lovely dinner. Lee Levergood, Past President worked diligently with a committee to update the archives, displayed for all to tell the story of their council. While the task was extensive, it was a labour of love and journey of discovery. For instance, did you know conventions were held in the homes at one time? Members of our region's CWL councils attended as did executive from Diocesan.

As summer was drawing to a close the Region of Essex sadly lost a wonderful man, Fr. Patrick Fuerth passed away. In May he had celebrated his 50th anniversary of his ordination. The CWL of St. Michael's Leamington served a beautiful dinner at his reception after mass. My husband and I had gotten to the church later than expected. We wound up in the chapel behind a group of women in white blouses that reminded me of angels. Then I began to recognize the faces of these "angels". They were CWL members and it became clear they were

serving once again. Barb Quenneville was asked to make his favourite, apple pie for dessert. No problem, she made 50. The ladies honoured Pat beautifully with smiles as they brought out dinners and cleared tables. Fr. Pat was always proud of them and knew he could count on them. I saw these same angels who were so joyous and now had tears for a man who respected them and knew their great works. God rest his soul. Fr. Pat was a dear friend and a wise, kind man who will be missed.

The one thing I remember Fr. Pat saying is about the importance of using your talents and gifts to change the lives of others for the better. As the fall approaches, so does a celebration of accomplishments and gifts. St. Anne Parish will be celebrating their 95th anniversary on Sunday, September 17th, 2017. Good Shepherd Parish is celebrating their 25th anniversary Sunday, November 5th, 2017 at the new church. Fall Bazaars will fill the calendars of communities, who highlight the anticipated events on their calendars each year. A tradition that is enjoyed as the line-ups for them to open attest to each year. The countless works begin again after a brief rest in the summer. Fall Regional days bring an opportunity for us to begin that renewal process together, be inspired and bring this to our parishes and communities.

Here we are right in the swing of things in the London Region. Plans for the Fall Regional Day and the 2018 Diocesan Convention are well underway but let me put the brakes on for a bit and reminisce about the past few months. St. Francis-St. Martin's council and Redeemer Lutheran Church, as well as St Michael's, St. Andrew the Apostle's councils and the Good Shepherd Lutheran church joined together to participate in the Luther Rose Proposal. It was a very rewarding experience.

On June 26<sup>th</sup>, we had our closing dinner at the Best Western Lamplighter Inn. It was well attended and an opportunity to just enjoy good food and fellowship. A special thanks to Irene Kennedy and Sandra Mitchell for organizing this dinner.

I experienced many highlights in the month of July. The first was attending the Provincial Convention in Thunder Bay. It was 'Superior'. There were many spiritual moments, enlightening moments and fun moments too. His Eminence Cardinal Lacroix in his keynote address shared his thoughts on "Amoris Laetitia The Joy of Love", Post-Synodal Apostolic Exhortation of Pope

Francis. He presented us with these four important words/attitudes that are necessary today to help families grow in love: Welcoming and listening, Accompanying, Discerning and Integrating. You can read his keynote address on the provincial website ([www.cwl.on.ca](http://www.cwl.on.ca)). Both Cardinal Lacroix and Bishop Colli gave us much food for thought. I encourage you to attend the upcoming 2018 Provincial Convention in Toronto.

Upon returning home from convention, there was lots to celebrate. I had my birthday, attended my niece's wedding and my husband Al and I celebrated our 40th Wedding Anniversary. It was indeed a fantastic weekend.

Another highlight of the summer was The Diocesan Day at the Shrine in Merlin on July 19<sup>th</sup>. The

weather was good and the friendships and prayers shared were beautiful. Fr. Greg taught us two words and encouraged us to live out these words: WADI (Welcoming and listening, Accompanying, Discerning and Integrating) and Bambelela, a Zulu word meaning "never give up".

I'd like to thank Betty Mitchell for her many years of dedication as our Regional Treasurer and wish her well in the coming years. I'd like to welcome Elaine Kocher and Sandra Mitchell who are going to co-share the duty as Regional Treasurer. See Betty, it takes two to fill your shoes.

A BIG THANK YOU to St. Michael's council for hosting the upcoming London and Sarnia Lambton Fall Regional Day on October 28<sup>th</sup>. As mentioned, plans are well underway as are the plans for our Diocesan Convention April 23<sup>rd</sup> to 25<sup>th</sup>. Save the dates!

Our Regional meetings resume at St. Michael's parish on September 25<sup>th</sup> and our next Convention planning meeting is scheduled on October 23<sup>rd</sup>. I look forward to another great year with the presidents in the London Region.

May God bless you and your families.

*"Let us touch the dying, the poor, the lonely and the unwanted according to the graces we have received and let us not be ashamed or slow to do the humble work."*

*Mother Teresa*

Our Ingersoll regional CWL councils have been busy this year doing just that. May 4, 2017 - World Day of Prayer for Palliative care had all councils participating in an hour of prayer from 8am to 8 pm. One council had members gather at Sakura House (a palliative care hospice) and recite the rosary with a long-time CWL member who was a resident there at the time and dying. That member unfortunately passed away the following morning. Those in attendance certainly felt the peace and tranquility of hospice care and the power of prayer.

Fundraising is an important part of the work of our councils. Funds raised support our school graduates and youth programmes. Community groups that help our poor and needy are often recipients of CWL donations. Most importantly are the volunteer hours spent by members helping in soup kitchens, pregnancy support centres and protecting the lives of those who are most vulnerable.

Lastly, Ingersoll region welcomes Tinie Klunder as incoming president of St. Bernard of Clairvaux, Waterford CWL council. She will be a wonderful addition to our presidents group. Our councils collectively will be launching the mental health awareness postcard campaign again in September to raise awareness of mental health

services required by the youth in our communities. With back to school upon us the pressures that young people face will be greater than ever.

The second half of 2017 will certainly start off busy as many councils return back from a summer hiatus. Christmas bazaar planning will be in full swing and preparations to attend fall regional days throughout our region. Inspired by the Holy Spirit the CWL members of Ingersoll region continue to respond to God's call.

My son has finally healed. As I visited him in Jasper, AB again this summer, we were able to watch the beauty of the dancing Northern Lights. A wonderful contrast to the smoky air from the forest fires down in Banff and adjacent in British Columbia. The majestic mountains

came in and out of sight as a result. The beauty of the lights however shone through at night. They reminded me of the many women of the CWL, working, dancing, celebrating and living life with an invitation to all to join. There is room at the table to all to share their gifts and talents. Room for everyone. For this we are blessed

and grateful to be members of the League. Share the good news and invite someone new to join us!

God Bless.

It seems like no time has passed since our Diocesan Convention in April in Stratford. Wonderful greetings, praying, and enjoying the company of other members of the league.

July 19<sup>th</sup>, our councils went to Merlin for our Diocesan Day of Prayer. Fr. Greg Bonin, our spiritual adviser was there to celebrate Mass and spend the day with us.

With fall comes Advent and thoughts of Christ's coming. The celebration of Christ's birth and time with loved ones. Pray for peace in the world while you share time together.

Our May Windsor Regional Meeting was a potluck. We invited Mary Lappan - Diocesan Treasurer, and Pat Rivest-Ontario Provincial Treasurer, to share the meaning of our theme for 2017-2019. It was a lovely presentation of "Inspired by the Spirit - Women Respond to God's Call".

Saturday, September 23<sup>rd</sup> we welcomed Chatham, Essex, Windsor councils, and other councils of the London Diocese, to join us in Windsor for our Regional Day at Our Lady of the Atonement Church.

Wishing you all blessings and peace.

As I look back at my year of representing Sarnia Lambton I marvel at all the wonderful Sisters of the League.

All are Called — All are Wanted — All are Loved

This years theme "Inspired by the Spirit women respond to God's Call" was certainly evident at the Day at the Shrine in July.

More and more of our Parishes are going to rely on us to step forward and answer God's call. As I look back on the Year of Mercy, open doors, Lenten Retreat, World day of Prayer, 12 hours of Prayer for Hospice, all I see are women ready to do God's work

Then Canada 150 celebrations and all the beautiful quilts at Convention. It just shows us all the power of CWL women

St. Michael's and the cluster parishes of St. Benedict's, St. Joseph's and OLM took part in the town hall meeting from National Convention in PEI by way of the internet in August. Once again all Councils are gearing up for their fall bazaars and festivities.

I am looking forward to 2017-2018 and working with all the fantastic women in all 12 Councils of Sarnia Lambton

We are getting ready for our fall bazaar which will be held on November 19<sup>th</sup> from 9am to 2pm. This is our main fundraising project for the year. Besides donating to our various charitable groups we were able to donate money to the church.

Summer is almost over and it feels like Fall already. Cool mornings and evenings and an overabundance of rain to date.

We have enjoyed a rewarding and productive year to date. Now, it is time to focus on the future. Julie Sans, President of our Council entertained our Executive at her home on Saturday, August 26<sup>th</sup>. She served a delicious lunch and afterwards, planning of our upcoming year began.

We have a lot to look forward to beginning with a reception following the Diocesan Wedding Anniversary Mass celebrated by Bishop Fabbro on September 10<sup>th</sup>. Refreshments will be served to approximately 300 people.

We enjoyed a closing brunch on June 3<sup>rd</sup> which was attended by many members. Service pins were awarded at this time as follows:  
50 Year Pin - Maureen Boone and Rita Denomme; 40 Year Pin - Frances Vitali;  
25 year Pin -Josephine Guth, Anne Roxburgh and Jacqueline Rutherford;  
10 Year Pin - Jackie Millman, Jackie Potters and Sandra Sanford.

At our September meeting, Maple Leaf Service pins were awarded to our Social Co-Convenors, Sandra Sanford and Joan Dalton. Both have faithfully served our Council and our Parish for many years.

We took advantage of a lucrative strawberry season and on June 28<sup>th</sup> gathered in the kitchen and prepared jars of jam to be sold at our Christmas Bazaar in December.

Some of our ladies worked the 2<sup>nd</sup> Annual Parish Picnic on June 11<sup>th</sup>. **Our work is never done.**

We acknowledged the 500<sup>th</sup> Anniversary of the Lutheran Reformation which recognition was commissioned by Pope Frances to encourage Christian accord. On July 3<sup>rd</sup>, we invited the pastor and ladies of Trinity Lutheran Church in our area and we planted a white rose bush which symbolizes purity in the Lutheran Church emblem, in our front garden. Father Jim

Mockler (St. Peter's) and Rev. Steven Johnston (Trinity Lutheran) were in attendance and blessed the planting of the rose bush. Following the planting ceremony, we served refreshments and enjoyed the fellowship. This fall, we will present Trinity Lutheran with a blue perennial symbolizing "Our Lady" which will be planted in their church garden.

We attended the funeral and formed an Honour Guard for three of our members who died this Summer. Ruth Sans, Jacqueline Rutherford and Kay Brunton. They will be missed by all.

We will look forward to our 98<sup>th</sup> Diocesan Convention which will be held in London at the Best Western, Lamplighter hotel on April 23, 24 and 25, 2018.

**A Lively Spring General Meeting**

At St. Michael's CWL Council in Bright's Grove, we hold four general meetings a year and ten executive meetings, open to the membership. The spring meeting held in late May is always well attended and this year there was much to celebrate. There were presentations throughout the evening to show our support for the parish and community as well as to acknowledge the contributions of our own members. The meeting was held at Huron Oaks Golf Course following the recitation of the rosary at St. Michael Church. The ladies had time before they were called to order to enjoy some social time and to meet the other guests at their tables.

**Presentations to Palliative and Hospice Care**

This winter, the quilters got together to create two beautiful works of art in the form of lap quilts. The theme was based on

the 150th anniversary of Canada. Our quilt was chosen by our Diocesan Executive, at our convention in April, to represent the Diocese at the provincial conference in Thunder Bay. Needless to say, we were thrilled. However, at our May General Meeting we did present a quilt to Palliative Care at Bluewater Health and one to St. Joseph Hospice. Their representatives were very appreciative of these beautiful quilts, obviously made with much love. Each organization was also presented with a cheque of \$241. The funds were raised through a raffle; prizes donated by members of the CWL. The draws took place during the dinner to add to the excitement of the evening. Three of the four prizes were won by family of executive members! That was really funny as two of the prize winners were my sister and nephew!!

**Kitchen Renovation Support**

Late this winter the kitchen in our parish meeting room received a make-over. New countertops, sinks, taps and backsplash were installed. The renovation has given us a bit more counter space and the backsplash done in white subway

tile has lightened up the room. Members of the CWL offered to spring clean all the cupboards after the work was completed, to ensure that all committees would have a clean environment to work in. As one of the groups who uses the kitchen quite a bit, we wanted to assist with the payment of work done. A cheque of \$1,000 was presented to our parish priest, Father Vince Gulikers to help defray the costs.

**Service Pins**

The highlight for many is the presentation of service pins and the Maple Leaf service pin. This year we had quite a few more pins to present as the increments have changed, making more ladies eligible. Another important distinction this year is the fact that this is our 30th anniversary as a Council so some of the ladies receiving 30 year pins are also founding members of this Council.

**CWL Education Bursary 2017**

Each year St. Michael CWL offers a bursary to a grade 12 student in the parish continuing on to post-

This year's bursary was presented to Frances Ozburn, a grade 12 student at St. Patrick High School at the end of mass on Sunday, June 4. **Commemorating the 500th Anniversary of the Lutheran Reformation**

At the spring meeting of the Sarnia Regional Council of the Catholic Women's League, an information sheet was given out that stated that the Holy Father, Pope Francis, in recognition of the 500th Anniversary of the Lutheran Reformation, encouraged Roman Catholics to reach out in reconciliation to the Lutheran churches. Members of a Waterloo Council proposed a Lutheran Rose ceremony. As St. Benedict's Church is a close neighbour to Redeemer Lutheran Church, they volunteered to spearhead a Lutheran Rose Ceremony on behalf of the cluster parishes of St.

Benedict's, St. Joseph's and Our Lady of Mercy.

To commemorate this event, members planted a white rose at Our Lady of Mercy Church and the women from Redeemer Lutheran Church planted one at their church. The Lutheran Church has recognized the white rose for centuries as their symbol. After the planting ceremony, the women met

in the church hall for a social hour. Approximately 50 women attended including members attended from St. Benedict's, St. Joseph's, Our Lady of Mercy, Redeemer Lutheran and Christ Lutheran. Both the Sarnia Observer and the Journal printed a picture and article.

Since the picture & article were in the local papers, we have received some very encouraging comments. We at St. Benedict's were highly gratified by the acknowledgment of this event and look forward to meeting with the women at Redeemer Lutheran Church next February.

After all the fun, faith and festivities of our December meeting, it was exciting to get back to work at our January meeting. It was a busy meeting with our President, Pennie Vandebroek presenting her Annual report. We had such a wonderful year of 2016, it was interesting to think back on things that we had done. One of the most important things was the collection of ladies' undies. These were given to a group called the Bag Ladies in Wallaceburg. They make menstruation kits for girls in Africa so that they do not miss school during that time. We also got down to business and approved the 2017 budget. Two of our ladies, Deb Venne and Lesli Jeffrey put on a really cute skit called "Everything, Lord?" to demonstrate the importance of giving everything to God. It was enjoyed by all the ladies and helped to encourage League Object #2 to promote the teachings of the Catholic church and League Object #3 to exemplify the Christian ideal in home and family life.

Our CWL also hosted an after-mass Coffee Break in January. These breaks not only help to create a sense of community with those attending mass, but also help raise funds for some very worthy causes, to fulfill our CWL Object #6 to recognize the human dignity of all people everywhere. January's break supported a local not-for-profit restaurant, The Shepherd's Way Inn. This establishment feeds everyone,

regardless of whether they have the funds to pay. It also hands out warm clothing, spiritual conversation and endless smiles.

In keeping with our CWL Object #4—To Protect the Sanctity of Human Life, at our February meeting, our speaker was Madison Herrewegers, an enthusiastic

student from Ursuline College who started a Right To Life club at the school, under the supervision of teacher Chris Gutteridge. It is called Lancers for Life. It fits so perfect with the Lancer motto "Living Life, Loving Life and Defending Life". She started her talk with a demonstration of a game that she uses when speaking in the classrooms that teaches that every life has a purpose, regardless of one's position in life. The Lancers for Life are a very active group that works in classrooms, and does campaigns to promote life. In October, they placed 1,000 pink and blue flags in the UCC Court yard, each flag representing 100 babies killed by abortion each year in Canada. It got teens talking. Their next campaign is an interactive video with the students. The group asks questions, shows the teens videos and tapes their reactions. Awesome job Madison and the rest of the group!

March was such a busy month. Our CWL ladies hosted the World Day of Prayer in Chatham. Prayers for this inter-denominational event were written by the Christian women of the Philippines this year. This event each year helps to encourage us in our league Object #8 to contribute to the understanding and growth of religious freedom, social justice, peace and harmony. Our ladies hosted a small reception following the event with many delicacies of the Philippines, including pineapple and coconut recipes.

"The smiles on their faces are the best.", Mary Johnston told us of her trips to Uganda at our March meeting. Mary is a Chatham woman who has made 6 trips with the "To The Nations" group. They work to help build houses, schools and soup kitchens. It is hard seeing so many grandparents who are raising 6 or 7 grandchildren, many of whom are HIV positive. Their parents are gone or deceased, many dying from AIDS. Mary and her group give each child a package. It includes a dress or pants and a shirt depending on if it is for a boy or a girl. They also include underwear, a small toy and always a rosary.

We also had a card making activity. These beautiful cards will be delivered when visiting some of our homebound CWL members.

Our CWL sister, Elaine Breyneart, brought in many of the prayer

shawls that she had crocheted for our members to see. Elaine, Ruby Anderson, Maria Harrison, and Carol Robert have worked very hard to create prayer shawls and lap quilts. They are beautiful. These will be given to parishioners in need of our prayers and our comfort.

March also brought us our first edition of our monthly newsletter. It is full of news from our last meeting and what is coming up at our next. We fill it with lots of information about our CWL such as upcoming dates and events and special projects that we are working on. We always spotlight one of our sisters, to help us all get to know one another. Our members look forward to it each month.

Our CWL and Blessed Sacrament Church have always been strong supporters of Right to Life and its division Refuge House through the baby bottle campaign and the Playpen project among other things. Refuge House is a place of shelter, a pregnancy help center for before and after birth where women are shown God's love for them. B.J. Kivell and Katrina Brown of Refuge stopped by to tell us about their new programme "Walk with Me". It believes that "a woman that is supported can only do better and be better". The programme works with the pregnant woman from the time that she comes to Refuge until the baby turns 1 years old. It began in Chatham in October and there is currently 5 women participating. Refuge advertises in the

hospitals, doctor's offices, the public health offices and Chatham Kent Children's Services to find women in need of help. Refuge is always in need of financial support as it is 100% donation funded and is a wonderful way "to impact lives by supporting and partnering with Refuge".

Lauren & her Grandmother Carol Robert, a 25 year member of the CWL

We also had an update from new CWL member Lauren Mailloux, who was a student teacher at Ursuline College, the Catholic High School. Lauren started a group called "LEADS" to help encourage leadership qualities in at risk students. Students are recommended to the programme by the Principal, the Student Success teacher and other teachers. Through team building exercises, field trips and encouragement, these students blossom. Our CWL has supported this group and this is reflected with our logo appearing on the back of the student's t-shirts.

This month we were definitely reminded of our League Objects especially #4 to promote the sanctity of life and League Object

#7 to uphold and to defend Christian Education and values in a modern world.

The Procession

The Crowning of Mary celebration at our May meeting was beautiful. The evening began with a lovely procession of many of our CWL ladies presenting Mary with flowers. Our President-Elect, Patti Johnson, placed the crown of mini flowers on the statue of Mary as we all sang the beautiful hymn, "Bring flowers of the rarest". We prayed the Glorious mysteries of the Rosary. The music supplied by CWL member, Marilyn Gutteridge and two wonderful singers, Lauren McKerrall and Amanda Chinnick enhanced the celebration. We emphasized League Object #1 to achieve individual and collective spiritual development.

Following the Crowning, everyone came downstairs to the hall, where members displayed many beautiful tributes to Mary in the form of statues and pictures. Everyone enjoyed their coffee, tea and a lovely snack while we held a small meeting.

We celebrated Canada's 150th Birthday at our June meeting by coming dressed in red and white.

Our 5 year members

We began with the Rosary and mass. We honored those members who are celebrating anniversaries with the CWL and welcoming our 9 new members with a beautiful pin ceremony. We have two special anniversaries, 45yrs and 60 yrs. League Objects we are emphasizing this month #5 to enhance the role of women in Church and society and we do this by celebrating the importance of the CWL in our lives. Our own CWL member, Cheryl Ball spoke on her nephew's ordination. Glen Ball, a Ridgetown native, who was ordained at St Peter's Basilica in

London on May 13, 2017. There was a beautiful display of many of the prayer shawls and lap quilts that our members have been creating with love. Father Jim gave them a special blessing.

Fr. Jim giving the blessing

We worked very hard through the first half of 2017 to emphasize and promote the League's 8 Objects.

While we take the summer off from meetings, we were still very active in the parish. Our CWL worked with the St. Agnes CWL of our cluster and the two Knights of Columbus Councils to make a parish picnic. A wonderful time was held by everyone.

In July, we were thrilled to learn that our parish cluster has been chosen to pioneer one of the new Families of Churches. We are excited to begin this new chapter and to have so many new parishes and CWLs to work with. We can't wait to see how this new journey will bring us closer to God and help us to connect with all our CWL sisters.

We started the year off with the installation of our new executive during Mass. Our council hosted our first Roast Beef Dinner in February, which was well received. Three of our members took part in the World Day of Prayer at the Trinity United Church, celebrating the women of the Philippines.

Tickets were sold after Masses on a complete Easter Dinner, with the proceeds going to Mom's Cupboard, which is located in the St. James Anglican Church. This organization looks after the needs of young parents who are struggling to feed and clothe their babies & young children. The three C.W.L. councils in our parish cluster hosted a reception for our R.C.I.A. Candidates after the Easter Vigil Mass, congratulating them as new members of the Catholic faith. We also celebrated Father Chris' 20<sup>th</sup> Anniversary to the Priesthood with a reception and a monetary gift.

Our Lady of Good Counsel was honoured at Sunday morning Mass with our flag and banner in full view. Many of our members took part in the procession before Mass as well as looking after all liturgical roles. Pins were also presented to our members during this Mass. This year, we are paying special attention to those in palliative care and hospices. With the help of many of our members, we made 13 lap quilts and shawls, which were displayed in front of the altar for all of our parishioners to see. Father Chris blessed all of

them, and then we gave them to Fairfield Park as well as our Hospice in Chatham. We are also sending our monthly newsletters to seniors in our residences and nursing home.

Two of our executive members attended the convention in Stratford, meeting new and old friends, and bringing back lots of information for our members. The annual Right to Life Banquet in Chatham was attended by ten of our members, and while there, we made a financial donation to Refuge.

During the month of May, we hosted a Right to Life Baby Shower in our church. A playpen was set up and filled with baby items donated by our parishioners. Our council hosted a Shut in Mass for our seniors and shut ins. We assisted in picking them up as well as looking after the Liturgical roles during Mass. Mary was crowned by one of our seniors and past president, Harriet Marchand. During this Mass, Father Chris, assisted by Father Bernard, anointed all of the seniors present as well as anyone else who wished to receive it. A luncheon was enjoyed by all who attended Mass.

Students receiving their First Communion, Confirmation, and graduation received gifts from our council. We, along with the other two councils in our cluster hosted a reception for those receiving their confirmation. In our annex, we have a religious goods store filled with gifts and cards for those receiving their sacraments, as well

as items to give to someone to show that you are thinking of them. We keep the cost down and there is not tax. We also have a Holy Family CWL Library situated near the entrance of our church. There are lots of good books and C D's that can be borrowed, read and brought back to be exchanged for another. We have lots of children's books as well.

Since the beginning of the year we have been busy writing letters and signing petitions for the rights of our health care workers and for our hospices. Our council also celebrated 12 Hours of Prayer for Palliative Care.

Our June meeting was a dinner meeting, held at the Black Goose Restaurant, which was a nice change from our regular venue. Throughout the summer months, we continue to collect food, soap, candles, eye glasses, yarn for pneumonia vests, milk bags for CFFC as well as Campbell's soup labels for our school and stamps for Leprosy. We are also selling our raffle tickets during the summer months as well as canvassing our local merchants for penny sale items so that we are ready in October for our Annual Penny Sale, which is our biggest fundraiser for the year.

So far, we have had a busy year. We thank God for the continued support of our pastor and parish in all that we do. May Our Lady of Good Counsel continue to bless us.

We had another successful Roast Beef dinner, yard sale, Easter Basket Raffle and hosted the Marriage Prep weekend. With help from our 2 Cluster CWL'S we hosted the RCIA reception, Fr. Chris's 20th anniversary to the Priesthood, and Confirmation reception.

At our Spring Banquet, we give out anniversary pins and Merit Certificates. Our speaker talked to us about the Chatham Kent Hospice We also presented Margaret Cushman with a well deserved Maple Leaf Service Pin. Margaret was responsible for organizing a letter signing campaign (700+) to our local MPP

and Minister of Health Eric Hoskins against health care providers having to refer patients for euthanasia. Our membership continues to increase mainly due to the efforts of our Membership chair Margaret Cushman.

The Right to Life baby shower in May resulted in many baby items being delivered to RTL Kent. We also have 5 wonderful ladies making Leprosy Bandages.

Our 3 Cluster CWL's working together (4 hrs. each) completed the 12 hours of Prayer for Palliative Prayer.

We are sad to report that we have lost 10 members this year.

The World Day of Prayer Service was held in our parish. The Island Country of the Philippines was the focus for the day with the theme "Am I Being Fair to You?" Representatives from the Philippine community were our guests. Everyone enjoyed the informative service, fellowship and refreshments.

We participated in the 12 Hours of Prayer to the Lord for Palliative Care which included the recitation of the rosary, celebration of the Eucharist, all day adoration with a 1 hour prayer service followed by Benediction.

In April, our CWL Council teamed up with the Knights of Columbus and Squirettes to sponsor a "Development and Peace Breakfast". Over 100 parishioners were fed.

Our Council along with the liturgy committee put out a 40-40 challenge during Lent. Parishioners were asked to collect 40 items (clothing/food) for forty days to fill a large white garbage bag. These were collected on Good Friday. This project was an overwhelming success. The generosity of the cluster parishes, were shared with local organizations in need.

In May, we celebrated the Seven Joys of Mary during the crowning of the Blessed Virgin Mary. She was also presented with carnations.

A couple of members who were involved with the Rosary Apostolate in the French and English schools celebrated the 100<sup>th</sup> Anniversary of the apparitions of Our Lady of Fatima to three shepherd children in Italy. We joined in a procession to the church, a couple of decades of the rosary and the viewing of a DVD on the "The Miracle of the Sun."

Before the weekend masses, members lead the recitation of the rosary.

Also during May, we held our annual May Dessert Tea and Fundraiser. Many donations helped towards the bake sale, and door and raffle prizes. We also had our ticket draw and enjoyed a euchre tournament.

To help support the annual Right to Life Kent Refuge Pregnancy Center, our council took part in the Baby Bottle Boomerang Campaign. Baby bottles were distributed to parishioners on Mother's Day and collected on Father's Day. The goal was to fill them with loose change or a donation in order to help save the lives of the preborn and to change the lives of men and women by giving accurate information. Of all the churches who participated in our Chatham Kent local community, over \$33,000 was raised.

In June, we gathered for a Pot Luck

Dinner Meeting celebrating the 150<sup>th</sup> anniversary of Canada. We then held a memorial service for deceased members, reception of new members and presentation of service pins.

Also in June, some members visited Oxley Retreat House for a day of reflection with Sr. Sheila McKinlay.

Members helped prepare meals for the Confirmation candidates for their Super Saturdays in preparation for this important sacrament. First Communion and Confirmation gifts were presented to the students who received these sacraments.

In July, our council joined other parish organizations to host a farewell breakfast for our pastor Fr. Peter Amszej. He was presented with a gift certificate on behalf of our council and a beautiful stole from the parish. Over 300 people attended and enjoyed this delicious meal and to offer best wishes.

Immaculate Conception Council CWL members joined Christian Women from other churches on the first Friday of March for World Day of Prayer. The theme for 2017 was Women in the Philippines, Am I Being Unfair To You?

Our council facilitated the Stations of the Cross on March 3<sup>rd</sup> at 7:00n P.M. for the first Friday of Lent.

We hosted the Council of Churches Lenten Lunches each Wednesday for six weeks. The theme this year was the Seasons of Life... Early Childhood, Adolescence, Middle age, Retirement and End of Life. They were very well attended.

We started the year with 109 members but three of our members have gone to heaven to receive their awards - Rita Manley 73 years, Ethel Regan 53 years and Judy Purcell 41 years. Rita Manley and Ethel Regan were active members in the CWL in their younger years. We were all shocked when we heard that Judy

Purcell had a terminal illness in December. She was very active in the CWL, held many positions past president in 2008 and 2009 and was our treasurer until January 2017. She was always there to help or advise us. She was also active in the community. We all miss having her with us. She went home to be with the Lord in May.

The London Diocesan Convention was held at the Arden Park in April and our members helped with the many chores that needed to be done before and after the convention.

We had another successful fashion show in April. Everyone in the community looks forward to this and even if they cannot attend they purchase a ticket or make a donation to our worthy cause. We were able to donate \$1,500. To hospice.

In May we hosted a reception for Father Ross Campbell who was a former member of Immaculate Conception Parish, ordained to the priesthood on May 6<sup>th</sup> and said his first home parish mass on May 13<sup>th</sup>.

In June we had a Special Invitation from our sister council St. Joseph's Council for a Spring Tea Social for

accommodating their council during St. Joseph's renovations. They entertained us with music, a skit, tea and dainties, and many door prizes. It was a lot of fun and was enjoyed by all.

In June, we presented Melina Clemmer the CWL student award for her outstanding service to the Catholic church and volunteering for other activities such as bible camp, bazaar etc.

Student awards were also presented at St. Michael's Secondary school graduation to the student who displayed Christian Service to the Church Community, Jeanne Sauve for Academic Excellence in French and St. Ambrose the Citizenship award.

Our ladies are now busy selling tickets, doing preserves, crafts etc. for our annual bazaar on November 4<sup>th</sup>.

On Saturday, May 20 one hundred and forty women enjoyed a wonderful day of food, fun and fellowship. A delicious luncheon was served followed by a musical presentation by Carol Mullins. Carol is the Pastoral Associate at St. John Paul II parish in Lake View, New York, and founder of Quiet Whispers Ministry. She is an inspirational speaker, composer and biblical storyteller. Her “passion is to encourage people to recognize God’s presence in everyday life”. She delivers her message through original song and humour. Throughout her presentation she showed us that our faith can help us find joy in our lives every day, even in the midst of life’s struggles. Carol’s enthusiasm, sense of humour, and musical

talent certainly brought joy to all who attended.

Following the performance we processed outdoors for the dedication of two trees donated by the CWL religious store. The trees were blessed by our pastor, Father Rick Dales. They were dedicated to our CWL members past and present.

Jerri Beauchamp (President), Fatima Cabral (Maple Leaf Pin recipient, Past President and Spiritual Convenor), Carmen Velocci (President Elect)

President Jerri Beauchamp presented Fatima Cabral, our Past President and current Spiritual Convenor, with the Maple Leaf Service Pin. Fatima served as our President during 2014-2015 and was instrumental in raising our visibility as a council through the introduction of our Hotmail website

and “Our Voice” newsletter. She also initiated a number of new fundraising, charitable and social events such as the Mother’s Day bouquets, the Baby Shower, Closet/Vendor event, Winery tour, Angel Tree and the Family Skate Day. This past year, during the celebration of our 95<sup>th</sup> Anniversary, she gifted our council with its first ever Manual of Policies and Procedures. Fatima now serves as our Ingersoll Regional Chairperson. She is a most worthy recipient of this distinguished pin.

April was busy with planning for our 95th Anniversary Celebration and attending the Diocesan Convention. Members enjoyed the speakers and meeting with old friends and making new ones. It is always nice to get to meet the executive and then be able to put a face to a name.

We started our May meeting with the rosary, as we do every May. Weather permitting, we go to the grotto at the front of the church. This year prayers at the grotto are very special since it is Our Lady of Fatima's anniversary. At the grotto,

there are statues of the children of Fatima praying to Our Lady. After our meeting, we had a guest speaker, Marissa Gatfield, from Canadian Blood Services. It was very interesting to learn about the different needs and the restrictions of donating.

In June, we ended our meeting with a Strawberry Social and blind auction. The ladies each bring a wrapped gift and they bid on one. It is always interesting watching the reaction of the ladies when they see what they purchased.

We celebrated our 95th Anniversary on June 13th with a beautiful mass at 5pm and dinner followed at the hall. A brief history of our council was given after dinner and social time after. A good time was had by all. Thank you to all the guests that came to help celebrate with us.

Our bazaar will be held on November 11th in the parish hall. Please come and join us for lunch. We have a great penny table and a large assortment of vendors.

To mark the 500<sup>th</sup> Anniversary of the Reformation, the Catholic Women's League and the Lutheran Ladies of St. Paul's Lutheran Church met the afternoon of June 19<sup>th</sup> at St. Michael's Church in Leamington. After a short prayer service focusing on the Christian commitment to love, the CWL

- Guest speaker for our annual banquet was Tina Quiring, president of South Western Gleaners, a local non-profit

organization that dries donated fruit and vegetables. Dried fruit snacks and vegetable soup mixes are then donated to food banks, schools, 3rd world countries and northern missions. All workers are volunteers

- St. Michael’s invited the Leamington Lutheran Church ladies to a prayer service and plant exchange, commemorating the 500th anniversary of the Reformation.

*What do Angels Look Like?*

*They don’t take life too seriously, they travel light.*

*They leave no forwarding address,  
They ask nothing in return.*

*They wear sneakers with gossamer wings,  
They get a deal on dry cleaning.*

*They are hard to find when your eyes are closed,  
But they are everywhere you look,  
When you choose to see.*

Past-president - Yvette Henkel*

Our president continues to keep our members informed by placing a note in the bulletin each week & also provides knowledge regarding this National organization. She is doing a great job.

**March 2017**

We led the stations of the cross "Mary's way of the Cross"

**April**

Joining us at our meeting was a speaker from IRIS House, a local charity we support. It is a family driven, charitable, not-for-profit corporation providing supportive housing for persons with mental illness.

We collected toiletries to send to London Diocesan convention with the 5 members. One of our parishioners donated an afghan to our council which was also brought to the convention to be blessed. We have presented it to one of our parishioners who now is living in a nursing home.

Also, in the narthex, was the petition regarding Hospice palliative care and encouraged all parishioners to take part. This petition asks our government to make hospice palliative care a covered medical service so that provincial & territorial governments will have funds to provide assessable & available hospice palliative care for all.

**May**

We collected baby items needed for Birthright & gave them to the

director at our May meeting & annual "Baby Shower for Birthright". She gave an informative talk to all present about everything they do for the young moms-to-be & the help they provide to get them started. Also, a member organized a tour of Hospice Village which some of our members attended & learned about the various programmes & care provided to our loved ones & families. This was on May 4th part of the 12 hours for Palliative Care.

**June**

We had another successful fundraiser bake sale with many delicious goodies donated not only from our members but also parishioners who continue to support us in our efforts to helping those in need. This time we also added a "donation table" & offered a "thank you" with a carnation & chocolates - this also went very well. Since we have had to stop raffles due to needing a city permit, we have decided it is too difficult to obtain, so we formed a committee to brainstorm some ideas on how to raise funds & will report back in September.

At our June dinner social, we handed out our newsletter to members present and then mail out to those who were not able to attend. Once again, we picked "Prayer Partners" to pray for that CWL sister over the next 6 months. This is also when we present any pins, certificates & welcome new members. Our president gave 12 new members

Insignia pins (Barb Adam, Helen Berry, Jo-Ann Brown, Susie Carreira, Jane Geary, Anna Kirby, Patricia Lafontaine, Pam MacDonald, Liette Sandison, Margaret Snyder, Pamela Taylor & Lisa Wilson) We welcomed 4 members (Pauline Barwise, Samdra Framsem, Patricia Renaud & Lily Seguin) who transferred from another council.

The Catholic Women's League of Most Precious Blood, Windsor joined together with the Golden Hands Senior Group of Most Precious Blood to participate in a unique project of togetherness for their 100th Anniversary. We produced lapghans/lap quilts for the elderly, infirm and those in palliative care. This project was completed in 5 months, so we decided to continue to 150 lapghans for Canada's Birthday. They were distributed to Hospice of Windsor, Hotel Dieu/Grace Hospital Palliative Care, Aspen Lake Nursing Home, Downtown Mission, Drouillard Place, and Extencicare Nursing Home.

**LONDON DIOCESAN COUNCIL**  
**THE CATHOLIC WOMEN'S LEAGUE OF CANADA**  
**LIFE MEMBERS AND PAST PRESIDENTS**  
**SOCIAL JUSTICE AWARD**

In the past few years, some of our Life Members have passed away. Following the untimely death of Life Member, Helene Regier, the Diocesan Executive felt we should have some way to recognize the work done by our Life Members and Diocesan Past Presidents. As many of these ladies were involved in or had great concern for social justice issues, it was felt that the most appropriate way we could recognize them would be through the establishment of a Social Justice Award.

The London Diocesan Council of the Catholic Women's League of Canada has established a Social Justice Award to be awarded annually. The award is intended to recognize men or women engaged in social justice work. A person will be eligible to receive the award upon a nomination form being submitted.

**Award Criteria:**

1. Demonstrated involvement in social justice activities
2. Nomination by a CWL Council, a pastor or campus minister or equivalent
3. The award must be used to finance participation in a reputable social justice activity, either at home or abroad, e.g. Development and Peace, work in inner city or northern experiences
4. Priority will be given to someone who identifies with Catholic ideals
5. The committee may decide to give the yearly amount to one candidate or divide it among several nominees
6. Successful nominees will be asked to share their experience with League members
7. Decision of the committee is final

**With this award –**

- We hope to raise awareness of social justice
- To build solidarity and community to those in need
- To hold as our highest priority, the teachings of the gospels through our concern for the common good and dignity of all human persons
- To bring to light issues around the world and call the world to action on behalf of those who lack this basic human right.
