Directive # 5

You must be the change you wish to see in the world. -Mahatma Ghandhi

I hope that you all experienced a happy and Spirit-filled Easter.

It was wonderful to see so many familiar faces and to see so many new ones at the Diocesan convention in Windsor. It was a great convention-very packed with information for all.

For the councils that did not have representation at the convention, be aware that there will be a change in membership costs beginning with the membership drive for 2020, as our instructed vote passed. If you only charge what you send to National you will have to set your budget to reflect this increase. Details are as follows: 1.: Motion that per capita fees be raised by \$1 beginning in 2020: Passed. This means when you start collecting dues for 2020, the amount per person will be \$21. National portion is \$13; Provincial portion is \$3; London Diocesan portion is \$5.

If you still have membership fees that you collected please remit them now. It is not too late.

I hope that you have a safe summer filled with many family gatherings.

May our Lady of Good Council Bless you,

Cam Cadotte
