Directive # 9

I hope you all had a good Christmas and enjoyed time with family and friends.

Thank you to all councils who submitted their president's annual report along with the report of the various standing committees. I am enjoying reading them as I prepare the annual report book. It is inspiring to see the many and varied activities members from across the diocese take part in.

Most of you, I'm sure, have had successful membership drives. Did you remember to submit your per capita fees to national promptly? You can still continue to collect and remit fees for those who pay late but keep in mind if these are not received at national by February 28th, those members not paid will not receive the League magazine. This would be a shame as the magazine has interesting articles. In addition, national must receive the per capita fees for each council, and particularly for those members attending the diocesan convention, in order for you to vote. This is especially important if a member of your council is wishing to run for election to the diocesan executive or to be considered for the regional chairperson position.

Many Councils have had a change in executive. This may be a good time to host a 'Smores workshop or any other leadership workshop you feel could benefit your council. Please contact your regional chairperson – the diocesan executive would be most happy to hold a workshop for you.

It will not be long before the season of Lent will be upon us. I will look forward to seeing many of you at the Diocesan Lenten Retreat. Theresa Ryan, Diocesan Spiritual Development Chairperson is planning a great day to start you on your Lenten journey.

May Our Lady of Good Counsel continue to bless you in all you do.
