Directive # 11

Render service with enthusiasm, as to the Lord and not to men and women, knowing that whatever good we do, we will receive the same again from the Lord. Ephesians 6:7-8

Greetings as we begin this new year of the Lord, 2018! Elections took place within some councils and I welcome all the new executive to a most exciting time! Welcome to new Organization Chairpersons, I appreciate your gifts of time and talent to take on this role of leadership in your councils. Be vigilant in networking with your members and your region as this contact will energize your position, provide support and encourage women to serve in all capacities. The cwl.ca website has a wealth of information to assist you in this position, assist you to provide leadership for your council, and strengthen your faith. As Anne-Marie Gorman said..."soar and consider what the League can be for Canada and the world through efforts at the parish level and beyond. Envision every parish in Canada having a council! It is possible. Why wouldn't every woman want to join an organization with such local and far-reaching influence?" Let your light shine!

Annual Reports

Thank you to all councils who completed the Annual On-Line Reports. To ease reporting at the end of the year, keep a calendar of the events / work you do throughout the year. Then it is easy to refer to at reporting time. Please remember these are necessary reports for the CWL to keep its not for profit status with the government of Canada. Thank you, again.

Council Convention Reports (PLEASE MAKE SURE YOUR PRESIDENT IS AWARE!!!)

Another reminder to toot your horn! Please take two or three times within the last year that your council was able to RESPOND TO GOD'S CALL! Your report should have your President's Name, your Spiritual Advisor's name, your COUNCIL's name and address and identify Life Members that belong to your council. Each council is allocated 2/3 of a page. Please use Calibri 12 font single spaced. Deadline: January 31, 2018 Send to: rebecca.mccarrell@yahoo.ca

Leadership is not about title or a designation. It's about impact, influence and inspiration. Impact involves getting results, influence is about spreading the enthusiasm you have for your work. Show the way by impact & influence!
