Nominations & Elections

As you know, 2016 is an election year at the London Diocesan level of the Catholic Women's League of Canada. If were president of your parish council in the past 6 year, you are eligible to let your name stand for election to the diocesan executive. In November you will receive a package from me asking if you would like to let your name stand. I would like you to take this opportunity to give serious thought and discern if you with the help of God, are being called take on a greater leadership role. I know that we can use your talents on our team at London Diocesan Council.

Enhanced Empowered Energized "By the Fire of the Spirit"

These workshops are a tremendous support for all league members. There are many workshops one of which is on discerning a call to service. With the upcoming 2016 elections for not only the Diocesan council but also some of your councils, this would be a great opportunity to set up a workshop for your council and many other CWL councils' in your region. This workshop offers an opportunity to gather together in a Spiritual Perspective. Members of the diocesan council would be happy to facilitate this workshop for you.

Once again I ask you of you for a picture/ or a story to depict that your parish council is alive and well working diligently for God and Canada. As my term draws to a close I have in the next 7 months left to fill my 2014 2016 files.

Happy Thanksgiving

God bless
