Directive # 8

My dear Sisters in the League:

What a month this has been! It is so important to keep your League Sisters in your prayers. I, in particular thank all of you for your thoughts and prayers this past month to keep my family strong, healthy and safe.

Elections: Many councils may be preparing for elections. I hope the workshop at the Fall Regional Day helped in some way to clarify or answer questions at the parish level as well as the diocesan level.

The letters for those eligible to let their names stand for the 2018-2020 Diocesan elections were sent out this week. Please pray that all those eligible may discern their call from God and that they discern how they can best serve the League. Also, pray for yourselves that you may be open to God's will. We need a lot more people to step up to make this League strong going forward.

Archives: For some of you, your term may be coming to an end. Have you updated your job description; indexed your files; documented your pictures; done all your filling? Hopefully this is not a last minute job...you never know when you may be called upon for some important information. You should always make sure that your files are ready to be turned over at any time. When it is time to pass on your files, you will be passing on the torch! Keep the fires burning brightly!

Advent: The Season of Advent will shortly be upon us. Let us prepare our minds and hearts for the coming of our Saviour! The busyness of this holiday season seems to take the real meaning of Christmas away from our young families. Let us be examples to others...be prayerful, attentive and keep Christ in Christmas!

May our Lady of Good Council continue to guide you in all you do.

Blessings and Merry Christmas to All!
