

IT'S TIME TO TAKE ACTION:
**PROTECT THE CONSCIENCE RIGHTS
OF ONTARIO'S HEALTH PROFESSIONALS**

Dear Premier,

The Canadian Charter of Rights and Freedoms states in Section 2 that:

2. *Everyone has the following fundamental freedoms:*
(a) freedom of conscience and religion;...

Health Professionals in Ontario who conscientiously object to Medical Assistance in Dying (causing the death of their patients) are being pressured and often forced to participate in an act they consider to be fundamentally wrong.

In November 2017, the Manitoba Legislature unanimously passed *Bill 34: The Medical Assistance in Dying (Protection for Health Professionals and Others) Act*.

I, the undersigned, ask you to bring forth legislation identical to Manitoba's Bill 34 to protect the conscience rights of Health Professionals in our province.

Sincerely,
