Date: Nov. 21, 2015

Directive # 8

Greetings to all my League sisters,

Did you attend a Fall Regional Day in your area? If not, you missed a wonderful day of "Faith, Fun and Fellowship". I certainly enjoyed meeting so many of our membership and putting faces to members I have emailed or spoken to on the phone.

I hope everyone is managing with the new Treasurers' report form. As I said at the Fall Regionals, it is much easier than the previous form we used. If anyone finds it complicated please email or phone me. I am always eager to help. I would like all the forms mailed or emailed to me by December 1<sup>st</sup>.

Some parishes will be holding their elections this month. Don't be afraid to let your name stand for a position on your parish executive. Treasurers can hold their position for four years. Thank you to all those treasurers leaving this rewarding position.

This would be a good time to update your parish Manual of Policy and Procedure. If your parish does not have one, now is the time to do it. It is an easy process. If you would like guidance, any member of the Diocesan executive would be willing to give you some direction.

It's hard to believe Christmas is around the corner. Advent begins on Sunday, November 30. Slow down and breathe. Take the time to enjoy this season of waiting for Jesus' birth. I hope everyone has a blessed Advent, a Merry Christmas and a wonderful New Year.

*Blessings,*

*Mary Lappan*
