It is hard to believe that we are waiting for the beautiful Easter season. It seems that it was just last week that it was the Christmas season. Even if celebrating is so very different, we need to celebrate.

Thank you to all the councils that submitted their financial report for 2020.

Even with Covid donations remained nearly the same. I believe this was due to budgets that had been set in place in 2019. Bank accounts are now nearly empty.

I have been receiving enquires concerning no fund raising activities being allowed therefore to funds for future donations. Fund raising is not in our mandate, it is not a must do activity. During these difficult times our focus should be on our members and faith community. Are they coping with all these life changes? Eventually we will return to a new normal.

Please don't stress over things we cannot control, we need to be safe.

I have set up a universal email address for the treasurer of the Diocesan council. This address will be used by all treasurers coming after me. Please change any email address that you now have. New address cwltreasurerlondon@gmail.com. This takes away information coming to my personal address.

There is no financial information at this time because books are at the Auditors.

Stay safe, life will get better.
