Directive # 1

My Sisters in the League:

As I begin my term and I would like to say thank-you to Mary Lappan for her hard work and dedication to the League.

I have big shoes to fill even if the feet are smaller than mine. And I know that she will be there to guide me through it all.

The very first request I have for all treasurers is to go through their files and remove all forms that have Mary Lappan's name attached to them. Use them for grocery lists or better yet set them aside to donate to Canadian Food for Children. They will be sent to their missions that have few luxuries, even 1 side of paper is better than none at all.

There is still time to collect per capita for this year. Contact your members who have yet to pay and find out why they haven't paid their dues. Many times they have just forgotten. If there are other problems, try to correct them. Every Catholic Women should be a member. Our voices need to be heard everywhere and the greater our numbers, the louder we speak. National office is still taking memberships, the old fashion way, snail mail.

As summer begins and activities slow down there is still opportunities to gather together our Day at the Shrine in Merlin on Wednesday, July 18th. Don't worry about the weather. If it's too hot the church is air conditioned.

Finally, have a safe and restful summer so you will be ready to continue God's work in the fall.

May Our Lady of Good Counsel continue to bless you and your council.
Blessings to all.
